NEWS ITEMS.

The Pall Mall Gazette says:—"The success which has marked the exportation of small-pox from the United Kingdom to the United States, free of duty, must have surpassed the most sanguine hopes of those interested in the Society for the Diffusion of Diseases. No fewer than 152 vessels, with living freights amounting collectively to 82,138 persons, were detained outside the port of New York last year by the health officer on account of the presence of small-pox on board."

A dozen cases of small-pox were made

Enrope has, as nearly as can be cal-culated, 500,000 miles of railroad, and America 200,000. Indie has 14,000 miles and Australia 10,000.
