-Circulars have been received by the two Horticultural Societies of the city, from the deputy minister of agriculture, warning them that while working as a horticultural society they must not encroach on the work of an agricultural society. It also stated that those entitled to vote at the annual meetings were only those who had paid yearly subscriptions. -The anual meeting of the Belvi-

dere Club was held on Saturday night, and speeches were given by the re-tiring and newly-elected officers. Mr. R. She is survived by a family of four sons: John, of Forest; Arthur S., of East Williams; Dr. James, of Pontiac, Illinois, and Finley, of the London Mutual Fire Insurance Company. The funeral will take place on Wednesday morning.

A Throat and Lung Treatment

That Has Been Largely Imitated, But Never Successfully Rivaled, is Dr Chase's Syrup of Linseed and Turpentine.

There is no guesswork about virtues of Dr. Chase's p of Linseed and Turpen-Syrup It has been before the people too long, and withstood too many a battle brunt from aspiring rivals to be considered an experiment of unknown value.

Year by year, as the fall and winter seasons come and go, the sale of Dr. Chase's Syrup of Linseed and Turpentine increases steadily and certainly. It has proven its remarkable value, won its laurels, and continues to lead the van as the most popular and most largely used cough and cold medicine of the country.

Children especially are fond of Dr. Chase's Syrup of Linseed and Turpentine, because it is sweet and pleasant to the taste, and quickly relieves and cures them when gasping for breath with choking-up air passages, or tear-ing the linings of the throat and bron-chial tubes with a severe and painful

Bronchitis, whooping cough, croup, sore throat and severe chest colds and painful coughs are relieved and cured promptly and thoroughly by this famous preparation. It also frees the asthma sufferer from the dreadful paroxysms which cause him such keen agony, and cures asthma, as has been proven in a hundred cases.

Dr. Chase's Syrup of Linseed and Turpentine aids expectoration, clears the throat and air passages, soothes and heals the inflamed linings of the bronchial tubes, and cures coughs of every description. But it is far more than a mere cough cure, for its action is far-reaching, and it thoroughly re-

moves the cold as well.
You cannot compare Dr. Chase's
Syrup of Linseed and Turpentine with
any remedy you ever used. It is
unique as a treatment for throat and lung troubles. There are other pre-parations of linseed and turpentine put up in imitation of Dr. Chase's, and it is therefore important that you be careful when buying; 25 cents a bot-

NARROW ESCAPE OF MAN IN CUTTER

Mr. Thomas Sanborn Came Near Being Crushed by Engine.

Mr. Thomas W. Sanborn, of William street, narrowly escaped serious injuries or perhaps death at the Lake Erie and Detroit River tracks at Hill street, while driving in a cutter yesterday afternoon.

At this point on the tracks a number of passenger coaches are always side-tracked and persons walking cannot see an incoming train except when near the tracks. This was Mr. Sanborn's case and he drove directly in front of a Michigan Central St. Thomas train. The horse was caught on the fender, and carried some distance and the cutter was also dragged a short way. Mr. Sanborn jumped and escaped injury. The horse and cutter were not seriously injured or

Sturdy Farmer Stricken With Rheumatism Is Cured by Dodd's Kidney Pills.

This Man Was So Bad That He Was Almost Paralyzed-A Wonderful Case and a Very Happy Cure by This Excellent Remedy North Temiscamingue, Que., Jan. 6.-At the Douglas Farm near here

lives Mr. W. H. Johnston, who today considers himself a very happy man The cause of Mr. Johnston's happiness is his somewhat sudden and very remarkable recovery from the most severe case of rheumatism ever style, made of Lonsdale,

seen in this county. For a long time he suffered with the Rheumatism which gradually grew worse till it threatened his life. His principal trouble was in his left side, and it was so bad that his neck stiffened so that he could scarcely move it, and was beginning to fear paralysis. The pain would go away for a time, but return with greater force, and a strange feature of his case was that after the pain would leave any part, it left behind it that prickly "pins and needles" sensation. He thought that perhaps his smoking tobacco had somthing to do with it, and he gave this up, but received no benefit at all till he used Dodd's

Kidney Pills. This remedy he found to be a complete and absolute cure for his malady, and very soon after commencing its use, the pain began to leave him, and now he is strong and well. That such an extreme case should yield so easily and quickly proves that Dodd's Kidney Pills will cure any case of rheumatism.
