G. F. Marter, president of the Ontario Alliance, occupied the chair. Rev. G. C. Pidgeon, of Toronto Junc- known of the human arts. Rev. G. C. Pidgeon, of Toronto Junction, gave an address on "How to conduct a local option campa'gn." He put forth as a primary necessity a local organization, which should have charge of everything, and emphasized the importance of a canvass being carried on as far as possible by men experienced in politics.

Mrs. E. A. Stevens gave an address known of the human arts

A RECOGNIZED REGULATOR.—To bring the digestive organs into symmetrical working is the aim of physicians when they find a patient suffering from stomachic irregularities, and for this purpose they find a patient suffering from stomachic irregularities, and for this purpose they fand a patient suffering from stomachic irregularities, and for this purpose they can prescribe nothing better than Parmelee's Vegetable Pills, which will be found a pleasant medicine of surpassing virtue in bringing the refractory organs into symmetrical working is the aim of physicians when they find a patient suffering from stomachic irregularities, and for this purpose they can prescribe nothing better than Parmelee's Vegetable Pills, which will be found a pleasant medicine of surpassing into subjection and restoring them to normal action, in which condition only can be a supposed to the property of the parmeters of the human arts.

Britons Given Grand Welcome at Jap Capital.

IMPERIAL HONORS FOR OFFICERS

Nippon Approves Latest British. Jap Alliance by Enthusiastic Reception to Far East Fleet.

Tokio, Oct. 12. - Vice-Admiral Sin Gerrard Henry Noel, commanding the British squadron, now at Yokohama, and a numerous suite, arrived here to day by special train from Yokohama and was received at the railway sta-

deputation to wait on the Provincial tion by officials. After an exchange of greetings, the British admiral and his party entered imperial carriages and were driven through the streets lined by thousands In his opening address, Mr. Marter to Hibiya Park, where the mayor of said the object of the conference was to forward every mayement to bring Toki, gave a garden party in honor

of the distinguished visitors. The streets were decorated with flags and flowers to an extent which recalled the rejoicings over the Japanese victories in the recent Russian war the difference today being that the British-Japanese union was every

where in evidence. The feeling of depression of the last few weeks had complete disappeared and had been replaced by one of buoyant good humor.

Admiral Noel was met by distinguished officers of the navy and army and also by the Marquis Ito, president of the Privy Council, and cabinet min-

At Hibiya Park a magnificent triumphal arch with "Welcome" had een erected. The park was crowded with the guests who had been invited to attend the mayor's garden party. Among the high officials present was Prince Tokugawa, president of the House of Peers, who studied in England years ago. The programme to day included fireworks, fencing, jiu jitsu and wrestling. Many bands played continuously during the athletic xercises.

Prior to the commencement of th

programme, the mayor delivered a eech of welcome. He said he was honored and delighted to receive an admiral of a navy with such a brilliant history and belonging to a country which Japan was pround to call her ally in guarding the

peace of the Orient. He regretted that Tokio was unable more adequately to express the sincerity of Apan's wel-Admiral Noel replied briefly. Both mand of the ships of the navy would speeches enthusiastically ap

plauded.

This ceremony was followed by luncheon, and the regular programme of athletic sports. During the day about 1,000 British sailors and marines arrived here and were everywhere treated with tween the north and south broke out, greatest friendship. The whole population of Tokio, irre-

spective of age or sex, turned out to men were placed in command of our greet the visitors. Such a welcome to foreign visitors and such happy crowds in the streets had never before been seen in Tokio A dinner, attended by 100 British of ficers, was given at the Maple Club The dinner, which was served by Japanese girls daintily costumed, was followed by an informamean to criticise the officers who are
