STEPPED IN THE PATH OF INCOMING TRAIN

Confused, Has a Narrow Escape From Death.

An elderly gentleman carrying ouple of satchels became confused at the Grand Trunk depor at noon , today and walked deliberately in the path of Express No. 6 just arriving, and was saved with considerable difficulty by station officials and others about the platform.

As No. 3 pulled in from the east on the fourth track No. 6 drew up from the west, on the first. The old gentleman, anxious to board the former, started across and apparently did not understand the meaning of the frantic gestures of those between the two who motioned to him to stand back. He was finally grasped by a man on 1875; do, preferred, 25 at 93%; F. N. Burt, 120 at 114%; do, preferred 25 at 1184; Rio, 100 at 126, 150 at 125½, 350 at 125%; 25 at 125%; 25 at 125%; 35 at 125%; he platform, however, and was pulled back to safety as the big locomotive rolled past.

CITY HALL COMMITTEE

Several Locations Will Be Given Consideration at Next Meeting.

The city hall committee will meet on Thursday or Friday next, and the Rev. Richard Whiting Speaks

The Eccles property has the call at the present moment, although several other locations and be given consideration

For instance, is possible that the Government may be induced to join with the city, and purchase the whole block, bounded by Wellington, Dundas, Waterloo and King streets. Ald. Coles has obtained a very great deal of information about this, many communieations from the Government having

BAPTIST MINISTERS MEET

Regular Monthly Meeting Held in the Taibot Street Church.

The regular monthly meeting of the London Baptist Ministers' Association was held this morning in the parlor of the Talbot Street Baptist Church, In the absence of the president, Rev. H. H. Bingham, the chair was occupied by Rev. Wm. Walker, of South London Baptist Church, all the members being present. Devotional exercises conducted by the secretary, Rev. J. H. Boyd, and following the reading of the minutes of the previous meetings, Rev. C. N. Carew, of Maitland Street Baptist Church, was called upon to deliver an address on 'Some Temptations Peculiar to the Ministry." The paper which was of an interesting and profitable character, gave evidence of careful preparation, and dealt with matters of vital interest to every minister. A vote of thanks was extended to Mr. Carew following a discussion of paper, and the meeting closed with prayer by Rev. J. Hamilton.

REAL ESTATE SALES BREAK ALL RECORDS

During the Month of April About \$400,000 Worth Changed Hands.

THERE WERE 140 DEALS

Total For the Year Now Runs Up to About Three-quarters of a Million Dollars.

Approximately \$400,000 worth of real estate changed hands in the city of London during the month of April, the largest amount on record. The figures have not been compiled by roughly the total will amount to that There are about 140 transfers sum. recorded. This brings the total so far up to

over three-quarters of a million dolars. In January 55 transfers netted \$105,728, February, there were 55 transfers for a consideration of \$192,-515, while in March 75 transfers, for a total of \$92,583 were registered. The largest transfers for the month were those of the residence of Mr. George H. Belton sold to Mr. T. Mc Cormick for \$15,000, and a block land on the north side of York street, owned by Sir George Gibbons, sold to

MANY BEES PERISHED DURING LAST WINTER

Forty Per Cent of the Middlesex Honeymakers Succumbed to Rigors.

The spring meeting of the Beekeepers' Association was held in the councouncil chambers on Saturday, Mr. R. Wallace, the president of the association, presided. It was reported that past winter was a very bad one for the bees and the beekeepers. The severe weather has destroyed at least 40 per cent of the bees, and in one case bee-yard of eighteen hives was com-

The association appointed a com-Elderly Gentleman, Becoming mittee to investigate whether the Dies of Brief Illness. mittee, which is composed of the following, Miss Robson, Messrs. D. Anguish, E. Bainard and George Kimball, was authorized to make all arrangements

The present plan of the Ontario Gov-Robson, the secretary, was instructed to write to the department of agriculture and ask that more experienced men than Ontario Agricultural College students be appointed

The dates of the biennial meetings of the Middlesex Association were changed. The spring meetings will be held in the future on the last Saturday in April, and the fall meetings on the speakers.

This was by the fall meetings on the speakers. last Saturday in October. This was thought advisable owing to the small Mrs. Louisa Miller Dead. attendance at the meetings, which have been at a time when the farmers are very busy on their farms.

GERMANY OWES HER POSITION TO EDUCATION

of Industrial Training in London.

Industrial education is responsible for Germany's high position in the manufacturing world today, in the as a result of his observations in that country gives his unqualified approval industrial day classes will be inaugurated here in Septem-

When I was in Germany, I discussed the question of technical education with men best qualified to speak on the subject," said Mr. Whiting. There is no doubt but that such education has passed the experimental stage and has given the best results. Germany owes its position largely to the success of technical education,

when the school is properly organized. It is something new in London, of ourse, but we should not be afraid of innovations. Anything that will tend to make more intelligent, more capable. and more efficient, deserves our sup-

"I am heartily in sympathy with the policy adopted by the board of education, and I am certain that it will prove highly successful."

BOARD OF EDUCATION TO WAIT ON DR. PYNE

Will Take Up Question of the Changes to the Collegiate Institute Building.

A deputation from the board of education will have an interview with Hon, Dr. Pyne, minister of education, n Toronto on Wednesday to discuss the present condition of the Collegiate Institute building.

It will be remembered that Inspector Wetherald condemned the building, and recommended changes that would cost approximately \$40,000. Th minister afterwards wrote saying that if the board did not hasten to comply with the inspector's wishes in the matter the Government would withhold the usual grants.

The deputation will go down to Toronto and explain the whole situation. It is expected that an amicable arrangement will be arrived at. Chairman John M. Gunn is choosing he members of the deputation.

LOCAL NEWS

Mr. J. Lightfoot, auctioneer, on Friday disposed of three properties in Mr. T. S. Hobbs for the sum of \$22,the east end, one at 407 Hamilton road, 735 King, 657 Dundas, the purchasers being Joseph Johnston (baker), J. C Park, and George Heaman.

He og the table un'il the return of Add. the jury had been sworn in, and the London Township, father of Sergt. Wright, chairman of the committee. He has taken a deep interest in this affair, and the committee decided to allow him the inquest was adjourned till Monday, to an attack of bloodnessoring which the inquest was adjourned till Monday May 13, at p.m.

Coroner Elliott, addressing the jury advised them to visit the scene of the accident and from a careful examina-tion, which he himself had made, callpoints:

1. The condition of the wall. 2. The nature of the mortar. 3. The condition of the supports 4. Weight lately placed by fresh ago,

5 Whether there was any proper binding of the walls, CONFEDERATE VETERANS

Seven Persons Perish By Rail- will conduct the services. way Accident in State of

Louisiana. [Canadian Press.] New Orleans, May 6 .- Four trainnen and three passengers were kill

and a number of passengers we of this city. The funeral will be held hurt when the first section of a spe cial train carrying Confederate veter Macon, Ga., was wrecked this morning on the New Orleans and Northeastern Railroad near Hattiesburg ing in pretty strict compliance with the orders of License Inspector A. R. were detailed and turned over. The dead passengers are supposed of to be Confederate veterans.

Engineer W. A. Woods and his negro freman were killed. Two other cmloyees of the railroad, who were riding on the engine, were killed. The frain was running thirty miles an hour when the engine left the track arrying with it a day coach, chair car, and three tourist sleepers. Two

of the sleepers went through a trestle ST. MARTIN'S DEDICATED

Continued from Page Twelve.

A committee composed of Rev. Mr. Barnaby and Rev. Dr. Manning was appointed to arrange the programme for next year. The association adjourned until next September. in his duty towards God. Counter liberty is that which claims the righ to stiff the voice of conscience, the right to sin, the right to sin, the right to depart from God and his hely laws, the right to send the stul to perdition and to involve others in its

"Now, taking freedom of conscience in "Now, taking freedom of conscience in its true sense, I say that the Catholic Church has never violated it, but always defended it. And if certain facts in history seem to prove the contrary, it will be found on examination that what the church opposed was not liberty, but license. She punished those who wanted to get away from God, not those who wanted to get away from God, not those who wanted to draw near to him by the observance of his holy law. She punished those who, not content to damn their own souls, endeavored to drag others with them to perdition, after having first robbed them of their liberty as children of God, and of that truth of Christ which is the source of true Christian freedom—the freedom wherewith Christ has made

VINCENT BENNENATI HAS WIRELESS PLANT

Is Anxious to Get in Touch With Other Operators.
