YOU WOULD FLY OUT OF YOUR SKIN

Eczema Makes You Wish You Could. Your disease, which is sometimes called salt rheum, not only itches, but also burns, oozes, dries and scales over and over again. Sometimes it covers the whole body and causes intense suffering. You have found that local applications have no lasting effect, and you want permanent relief. You must thoroughly purify your blood or the eruption will continue to recur. Hood's Sarsaparilla. This blood-purifying medicine has been successfully used in thousands of cases. To make and keep the bowels normally active, take Hood's Pills. They are gentle and thorough.—Advt.

"DANDERINE"

Grows Thick, Heavy Hair

35-cent Bottle Ends All Dandruff, Stops Hair Coming Out

Ten minutes after using Danderine you cannot find a single trace of dandruff or falling hair, and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp. Danderine is to the hair what fresh should be to rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them, helping the hair to grow long, strong and luxuriant. Only application of Danderine makes thin, lifeless, colorless hair look youthfully bright, lustrous and just twice as abundant.
