The Games on Saturday-Rochester and Notes.

Buffalo, N. Y., July 27.- (Special.)-The Londons came up on the diamond at Olympic Park to-day in the same crippled. up condition which they manifested yesterday. The home team had no trouble in doing them up, and the whole exhibition was exceedingly tiresome to the 1,500 spectators. Right-fielder Cassidy was put in to pitch, and, although he held the Buffalos down to six hits, he gave eight men bases on balls. The Londons' fielding game was miserable, and they only made Ruthven. The inhabitants near the well were night distracted with the noise of the escaping gas.

The Indianapolis management is advised to secure Pitcher Clark, of the Omaha

club. Clark is an Oswego boy. The Pittsburg cricketers defeated the Peninsulars at Detroit on Saturday by 70 runs in the first innings. Score, 168 to 98. Anderson, late of Detroit, has signed with Indianapolis. His work with that club will be watched with interest.

The Columbus management have se cured Andy Sommer, late of the Chicago team, to fill the vacancy occasioned by Bligh's injuries.

Alex. McGregor has resigned the position of sporting editor of the Detroit Tribune and taken a reportorial position on the Evening News. Pitcher Dunn, formerly of the New

Orleans Club, of the Southern League, has donned a Newark uniform, and will have a trial with that club. The international lacrosse match played Saturday afternoon on the grounds of the Montreal Amateur Athletic Association re-

two for Staten Island. O'Brien, of the Rochesters, late of the Jersey Citys, was about the best player in the Atlantic Association. His hitting, fielding, base running and coaching cannot be improved very much.

John Splan has sold to Abbey & Mc Henry, of Minneapolis, for \$3,500, the brown gelding, Nobby, 2.183. Splan purchased Nobby at the Fasig sale for \$2,000. Nobby's new owners have entered

him in the 2.18 trot. It is said that Umpire Hoover was suspended because Syracuse was afraid of him. Syracuse asked Rochester to protest him, and on getting a negative reply had Hoover removed. This business ought to be stopped. Hoover was a good umpire.

Struthers, Anderson & Co.'s base ball team, led by their energetic manager, Reginald Christian, played a friendly game of ball at Komoka on Saturday afternoon with the aspiring amateurs of that village. Score, 9 to 0 in favor of the visitors.

C. J. Hamlin and Messrs. Sire Bros. have signed an agreement to trot their respective horses, Belle Hamlin and Harry Wilkes, a match race, best two in three over the Buffalo track, August 8, for \$2, 500 a side, the Buffalo Association adding **\$3,000**.

Messrs. Geiss and Kinslow arrived here from Buffalo on Saturday, the former under suspension and the latter on the sick list. Geiss was notified of his suspension without pay by the Secretary, Mr. Smart, but is at a loss to understand the reason therefor, as he has, while in health, invariably played the best he could. He says he would prefer his release to suspension, and hopes the Directors will see their Toronto this afternoon, but, in their cripquite problematical.

The reported deal between the Jersey City and Rochester Base Ball Clubs, League, was practically consummated on morning. Saturday. President Day, Manager Powers and Leland, of Rochester, had a

The Executive Committee of the Tecumseh Base Ball Club have for several days been endeavoring to strengthen the team by securing new players, but, so far as can be learned, they had not succeeded up to last night in bagging any player of note. An effort was made to get three of the players of the defunct Jersey City Club, but the Rochester management's deal with the owner of the team (J. B. Day, of New York) took precedence, and P. Powers, Knowles, Lang, O'Brien and Lyons go to the Flour City. Then telegraphic correspondence was entered upon with Capt. Irwin, of the Wilkesbarre team, for his services, and those of Flanagan, Pettit and others. If a deal has been concluded, the members of the Committee did not allow the news to leak out last night. It is not improbable, however, that two out of the three players mentioned will be secured. A despatch from Wilkesbarre vesterday mentioned the fact that John Irwin and Fielder Beacher had been signed by Washington, while O'Day, of the latter club, had been transferred to the New York team.

Harry Wilkes has trotted more heats in 2.20 or better than any other living trotter, and more than any, living or dead, except Goldsmith Maid. Including losing performances against time, the great mare, during her turf life of twelve years, scored 120 heats in 2.20 or better, while Harry Wilkes in five years has 84 such heats to
