The city council met for the transaction of regular business last night, there being a good attendance of members.

After routine, the council went into committee of the whole on report No. 34 executive committee, with Ald. Crocker in the chair.

The works committee recommended that the following extensions be made to the Toronto street railway system, and that the city solicitor be instructed to give the company the necessary legal notice, the rail to be used on this route to be the same as recommended in report No. 30 of the committee on works: Commencing at the intersection of York and Front streets, thence northerly along York to Queen, thence along Queen to William, thence up William to Caer Howell, and along Caer Howell to Caer Howell, and along College to Spadina avenue, thence along Spadina avenue to Bloor street.

COURTESY WINS ANOTHER RACE. ROCHESTER, Sept. 27.—The three miles race on the Geneva river at Charlotte today between Courtney, Riley, Lee and Plasted was won by Courtney in 20 minutes and 15 seconds, the quickest time on record.
