T. Granger Stewart, M.D., F.R.S.E., Ordinary Physician to H.M. the Queen in Scotland, Professor of Practice of Flysic in the Uniteristy of Eduburgh, in an article on Bright's disease, says. Dyspices (difficult breathing) is frequently met with in the inflammatory and direbebte forms of the disease and may be independent of any local lesson, being probably a result of uremic poisoning. And it is well known that uremic poisoning arises from kidney disease. So much known, it remains to recognize the fact that, to remedy an effect, the cause must be removed, and it is universally acknowledged that Warner's Safe Cure is the only reliable remedy for kidney disease.

Baxter, (chairman), Ritchie, Macdougall, Bell and Shaw. Mr. Pearson was on hand for the Gas Company, Mr. Wright for the Toronto Electric Company, and Mr. Nicholis for the Edison Company. A resolution was passed respectfully requesting the Mayor not to put the Bylaw passed at the last meeting of the City Council in force against the Bell Telephone Company for one week in order to allow Manager Sise time to formulate his scheme for the settlement of the while matter in dispute. Messrs. Pearson and Nicholis informed the committee that the plans for their subways were not ready. After a desultory discussion, during which Ald. Macdougall expressed himself as against haste in dealing with the matter, the meeting adjourned until Wednesday next.

A Dinner Pill.—Many persons suffer excruciating agony after partaking of a hearty dinner. The field partaken of is like a ball of lead upon the stomach, and instead of being a healthy nutriment it becomes a poison to the system. Dr. Parmelee's Vegetable Fills are wonderful correctives of such troubles. They correct acidity, open the socretions and convert the food partaken of into healthy nutriment. They are just the medicine to take if troubled with Indigestion or Dyspensia.
