PURE-BRED ANIMALS.

AT PRIVATE SALE,

Mount Fordham Westchester Co., 11 miles from City Hall, New York, by Harlem Railroad.

HAVING completed the sale of animals, as advertised in Catalogue of 1854, (excepting Short Horned bull "Ra'ca" 9918), at prices highly remunerative, for which patronage I feel grateful, not only to the public of almost every State in our Union, but to the Spaniards, Cuba, and the Sandwich Islands; I will issue about the 1st of April a catalogue for 1855, of short Horned Bulls, and calves (some of which belong to my friend, and part associate Mr N J Becar) North Devon Bulls and Bull calves, Southdown Rams, Suffolk, Berkshire, and Essex Swine, of almost all ages, and of both sex, now ready for delivery. This catalogue will be illustrated with portraits of my Prize Animals. Most of the original animals of my breeding establishment were selected by me in England in person, and strictly in reference to quality, in my judgment, best adapted for the use of this country.
