# THE CANADIAN ENGINEER

---

ESTABLISHED 1893

---

Issued Weekly in the interests of the  
Civil, Mechanical, Structural, Electrical,  
Marine and Mining Engineer, the Surveyor,  
the Manufacturer, and the Contractor.

---

---

## Index to Volume 21

JULY--DECEMBER 1911

---

---

The volume of editorial matter has  
increased to such an extent that it has  
been found necessary to issue indexes  
every six months. Henceforth a new  
index will appear in June and December.
