Description of Breeding Pens.

Yard No. 1—Headed by imported cock "Othello 2nd," sired by Othello 1st, he by Robin Hood, and he by Lyon's £100 Perfection. Peter Lepp, Esq., East Saginaw, Michigan, writes as follows:—"Othello 2nd has not his equal in America to-day, and I doubt very much if they can beat him in England, judging from what I have imported. That you may not be dependant on my assertion, will refer you to the following well known breeders who have seen the bird. Sharp Butterfield, Sandwick, Ont., the noted poultry judge, Daniel Allen, Esq., Galt, Ont., and H. A. Mansfield, Waltham, Mass. These gentlemen stand at the very head of the fraternity as breeders and as reliable and honorable gentlemen, whose opinion can be relied upon as true in every respect." We have mated this famous cock with 6 reachy pullets, two of them imported.

Yard No. 2—Headed by cockerel "Ashland," imported by us last fall. He is one of the finest cockerels we ever looked at, and is bred from the best blood in England. We have mated him with 7 select hens.
