

North Fifth Street, Philadelphia, a copy of a caricature of the Athletic team. It is from pen sketches by Th. Fleming, who has done his share of the work capably, the likenesses being good, and the positions in which the several players are represented comical in the extreme. The lithographic work is also excellent, and altogether it is a picture which no base ball family should be without. —N.Y. CLIPPER, July 17, '75.
