News From the Seat of War

Despite the uninterrupted run of victories gained by Japan, the inhabitants still find something to be desired, and this appears to be the "Health Brand," the fame of which has apparently extended across the Pacific. We here produce, verbatim, a card just received. Comment is needless.

MONTRÉAL SILK MILLS CO. KANAZAWA, JAPAN, OCT. 16, 1891.

DEAR SIRS.—Will you kindly mail me a catalogue of your "Health Brand" tights for ladies, as advertised in the "St. Croix Courier," of September, and oblige.
