Scientific and Useful.

LEMON JELLY-CAKE.—Take two cups of sugar, one-half cup of butter, one cup milk, three eggs, two teaspoonfuls of cream of tartar, one teaspoonful soda, three cups flour: mix and bake in thin layers, then place the jelly between.

ORANGE JELLY.—Cover one box of gelatine with one pint of cold water, and let it soak one hour; then add one pint of boiling water and one pound of sugar. Stir until the sugar is dissolved, then add one pint of orange juice, strain and turn into moulds to harden. This should stand at least twelve hours.

Figures Cannot Lie.

This has been said by a great many, and believed to be truth. But we are sometimes a little sceptical when distance of some remote planet is given, but never in the least doubt when JOLLYFEE & Co., 467-471 Queen Street, West, say they have the largest and best stock of Furniture and Carpets in the city.

TEA ROLLS.—Two quarts of flour, one pint of cold boiled milk, half cup of yeast, half cup of sugar, one tablespoonful melted butter: make a hollow in the centre of the flour, pour in all the above, and let it rise until morning, then knead, and let it rise until three in the afternoon: then roll out, butter them about the edge, and lap over, let rise, and bake in a hot oven twenty minutes.

STARTLING YET TRUE.—In the midst of the great political battle now raging so fiercely throughout our fair Dominion, it is certainly a startling fact that no amount of politics to the square foot will prevent the suffering caused by general debility or nervous and blood diseases, now so common among us. It is true though that these ailments and many others, especially those common to the female sex, can be cured by the use of a new and cheap device, just introduced into Canada by the **Orient Medicated Electric Belt Company.** This consists of an electric belt, so simple in its construction, that it can be worn at all times without the slightest inconvenience, and so cheap that it is brought within the reach of all. The company's headquarters are at No 3 King Street West, Toronto, where they invite inspection of their electrical appliances, and give the best of references.

APPLE TAPIOCA.—Soak a large teacupful of tapioca over night in a quart of lukewarm water. Set it on the back of the stove next morning where it will keep warm without cooking; when well expanded, put into a greased pudding dish, with about four good-sized apples thinly sliced, a half a cup of sugar, nutmeg to taste. Set in the oven, and bake twenty minutes to the half hour.

HIGHLY SPOKEN OF.—Mr. James M. Lawson, of Woodville, Ont., speaks in high terms of Yellow Oil for rheumatism, lame back, sprains and painful complaints. Yellow Oil is used internally and externally in case of pain; also coughs, colds, sore throat, etc., and has made many remarkable cures of deafness.

GOLD CAKE.—One teacupful butter, one and three-quarter cups of sugar, two and a half cups flour, two tablespoonfuls milk or cream, yolks of eight eggs, one saltspoonful of salt. Flavour with half a nutmeg grated, one teaspoonful essence of lemon, one wine-glassful rose water, and one of wine, if you like. Should it not seem light enough, add one scant teaspoonful soda, and one of cream of tartar.

To produce perfect precision with pens use Esterbrook's superior and standard styles. Secure such at the stationers'.

COCOANUT CAKE.—Three-fourths cup butter, two cups sugar, the whites of eight eggs, three cups flour, one cup sweet milk, two teaspoonfuls baking powder. Stir the butter and sugar to a cream, then add milk, then flour with baking powder sifted or stirred through it; lastly, add whites of eggs beaten to a stiff froth. Bake in layers. Soak one cup of desiccated cocoanut in one cup of milk. When soaked, remove from milk and press it till dry. Beat the whites of two eggs very light, with a small cupful of powdered sugar; flavour with vanilla or lemon; spread the frosting over the layers, then spread the cocoanut on the frosting. Pile the layers one on the other, and frost over the top and sides. It makes a beautiful cake.

On account of their inability to digest ordinary food, Scott's Emulsion can be digested, and give strength and flesh when all other food fails. See what Dr. A. H. Peck, Penn. Med. College, Philadelphia, says: "I have used and prescribed Scott's Emulsion of Cod Liver Oil, and find it an excellent preparation, agreeing well with the stomach, and its continued use adding greatly to the strength and comfort of the patient." CONSUMPTION,

which is Scrofulous Disease of the Lungs, is promptly arrested and cured by this God-given remedy, if taken before the last stages of the disease are reached. From its wonderful power over this terribly fatal disease, when first offering this now celebrated remedy to the public, Dr. P. thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening, alternative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for consumption of the lungs, but for all
