LOVING COUNSELS:  
SERMONS AND ADDRESSES.

By REV. CHARLES GARRETT, of Liverpool, England.

Octavo Cloth, 312 pp., \$1.25.

*The Literary World*, London, says:—"The ready wit, warm love, and passionate zeal of Mr. Garrett are well illustrated by this selection from his public utterances, and hence the volume will be heartily welcomed by his many friends and admirers all over the land."

From *Western Methodist Magazine*, April, 1887. "Those who value great Christian thoughts as they emanate in their simplicity from an active brain, under the influence of a warm heart and a genial disposition, and are spoken forth naturally in clear, tense, homely English, for wise, practical ends, will rank this book very highly. We sincerely thank Mr. Garrett for it."
