ROTHERHAM HOUSE

Dr. Holford
Walker

Announces to the Profession, that having taken Dr. WILLIAM NATTRESS into partnership, it is their intention to enlarge the Hospital, to permit the admission of men. A separate building will be devoted to that branch of the work.

APART from the special work of Nervous and Surgical Diseases of Women, general non-contagious diseases of men and women will now be admitted. The application of the various forms of electricity is resorted to in all suitable cases.

Medical Men can obtain Nurses and Masseuses for outside work on application.
