

Book Reviews.

THE PRACTITIONERS' VISITING LIST for 1908. An invaluable pocket-sized book, containing memoranda and data important for every physician, and ruled blanks for recording every detail of practice. The Weekly, Monthly and 30-Patient Perpetual contain 32 pages of data and 160 pages of classified blanks. The 60-Patient Perpetual consists of 256 pages of blanks alone. Each in one wallet-shaped book, bound in flexible leather, with flap and pocket, pencil and rubber, and calendar for two years. Price by mail, post-paid, to any address, \$1.25. Thumb-letter index, 25 cents extra. Descriptive Circular, showing the several styles, sent on request. Philadelphia and New York: Lea Brothers & Co., Publishers.

The text portion of "The Practitioners' Visiting List for 1908" has been thoroughly revised and brought up to date. It contains among other valuable information a scheme of dentition, tables of weights and measures and comparative scales, instructions for examining the urine, diagnostic table of eruptive fevers, incompatibles—poisons and antidotes, directions for effecting artificial respiration, extensive table of doses, an alphabetical table of diseases and their remedies, and directions for ligation of arteries. The record portion contains ruled blanks of various kinds, adapted for noting all details of practice and professional business.

Printed on fine, tough paper, suitable for either pen or pencil, and bound with the utmost strength in handsome grained leather, "The Practitioners' Visiting List" is sold at the lowest price compatible with perfection in every detail.

TREATMENT OF THE DISEASES OF CHILDREN. By Charles Gilmore Kerley, M.D., Professor of Diseases of Children, New York Polyclinic Medical School and Hospital, etc. Octavo volume of 597 pages, illustrated. Philadelphia and London: W. B. Saunders Company. 1907. Cloth, \$5.00 net; half morocco, \$6.00 net. Canadian agents: J. A. Carveth & Co., Limited, Toronto.

There is probably no city in the world where the important subject of diseases of infants and children is better taught than in New York. Dr. Kerley is one of the best teachers in
