**HORN GOODS**

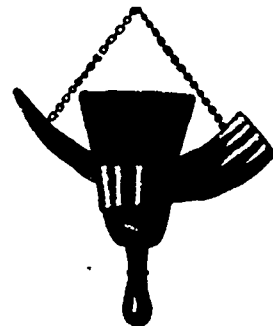

OUR success with horn goods has been  
far in excess of our expectations. Every  
mail brings us in orders and enquiries for  
sole agencies. There is no doubt but that

reduced to the prices that we are selling  
them at, they are at once the most taking  
and profitable line of fancy goods in the

market. Our supply of feather dusters will  
soon be out. This will prevent our selling  
any more of numbers 457, 590 and 145,  
after a few weeks.

Large Texan horns are becoming very  
scarce for this year. This will cut off all  
the largest goods. We give these explana-

tions so as to shew intending purchasers the  
necessity for ordering at once. Have you  
our Illustrated Price List? If not, write for  
one. We have a few left.
