ORIENTAL BALSAM.

THIS valuable Family Medicine of long-tried efficacy, for correcting all disorders of the

STOMACH, LIVER AND BOWELS, AND THOSE DISEASES

ARISING FROM IMPURITIES OF THE BLOOD.

The usual symptoms of which are, Costiveness, Flatulency, Spasms, Loss of Appetite, Sick Headache, Giddiness, Sense of fullness after eating, Dimness of the Eyes, Drowsiness, and pains in the Stomach and Bowels, Pain in the Side, in and between the Shoulder, Indigestion, producing a torpid state of the Liver, and a consequent inactivity of the Bowels, causing a disorganization of every function of the frame, will, in this most excellent combination of Medicinal Agents, by a little perseverance, be effectually removed.

A very few doses will convince the afflicted of their salutary effects. The stomach will soon regain its strength; a healthy action of the Liver, Bowels, and Kidneys will speedily take place; and instead of listlessness, heat, pain, and jaundiced appearance, strength, activity and renewed health will be the quick result of taking these medicines, according to the instructions which accompany them.

As a pleasant, safe, and easy aperient, they unite the recommendation of a mild action, with the most successful effect, and require no restraint of diet or confinement during their use; and for Elderly People they will be found to be the most comfortable medicine offered to the public.

Females at a certain age should never be without them—they are warranted to contain no Calomel, or any other deleterious ingredient.

THE CASTILIAN HAIR INVIGORATOR.

IT IS HEREBY WARRANTED that this elegant preparation for the Toilet will be found to excel all others ever offered to the public, for the preservation and restoration of the hair, for promoting its growth and softness, and for preventing baldness or grey hair, or its falling out; for the certain removal or prevention of scurf or dandruff, and for the cure of tetter or ringworm, and various other skin diseases which frequently attack the head: and what is of the first importance, it is perfectly harmless, but yet completely successful for the purposes for which it is recommended. Its use gives the hair a beautifully soft, smooth and glossy appearance.

The CASTILIAN HAIR INVIGORATOR has been used for more than a century by the Nobles of Spain, but more particularly by the ladies of that Nation, who are so justly famed for their beautiful and dark glossy hair. It will retain or restore to the latest period of life, the original colour of the hair; only causing it to assume a darker shade, if originally very light.

When the hair gets into a diseased state, it either loosens or falls out or turns grey: this occurs frequently in the young, or in the middle period of life; and, if not attended to, the head becomes either prematurely bald or the hair prematurely grey. The CASTILIAN HAIR INVIGORATOR alters this condition of the hair, and restores it to its original state.
