We earnestly recommend all Druggists in Canada to obtain our Druggist Circular and then reflect and see whether it pays them to stand in their own light longer and hold aloof from handling this remedy. The Druggists here in Canada are losing thousands of dollars through not supplying the demand direct; we have agents in other lines of trade wholly foreign to the drug trade, who have sold thousands of dollars worth of Microbe Killer, and with good profit to themselves. We know of hundreds of sales made direct from our Head Office to people who wrote us that they asked their Druggists for it, but instead were told it was not to be had.
