

Rough, red hands made smooth and white

The reason your hands do not look like you want them to look is because you have neglected them. Proper care will soon restore the natural beauty of their skin.

Begin this treatment tonight

Just before retiring, soak your hands for at least five minutes in hot water and a lather of Woodbury's Facial Soap. Then rub them briskly for a few minutes with a rough washcloth or stiff brush. Rinse in very cold water and dry thoroughly.

This treatment, continued regularly, softens the rough dead skin and soon causes it to disappear. In its place will be a new skin of delicate texture, formed with the aid of the beneficial properties of Woodbury's Facial Soap.

Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price after their first cake.

To keep your hands delicate and soft, use the treatment given below.
