This £50 Prize Baby was fed on Robinson's 'Patent' Barley

Physically, this boy is as nearly perfect as a child can be. In a competition organized by the "Daily Sketch" of London, England, this baby, in competition with a large number of other children, won the first prize of £50. His mother, Mrs. Ethel Hodge of Trafalgar Crescent, Bridlington, Yorks, writes as follows, "He is a fine, healthy and strong boy, as shown by the photo, having been entirely fed on Robinson's 'Patent' Barley and milk from three months old."

Thousands of babies that have been unable to retain any other food, have been strengthened and nourished on Robinson's 'Patent' Barley. The fact that Robinson's 'Patent' Barley is prescribed by nurses and physicians is its strongest endorsement.

Our booklet, "Advice to Mothers" is indispensable to every mother and will be sent free upon request.
