Commercial Summary.

A. PARE, a dry goods dealer this city, has
compromised with his creditors at 50 cents in
the dollar, payable in 3, 6 and 9 months, the
last two payments secured. Liabilities, \$8,-
660; assets nominally \$9,800.The firm of Triganne, Bourgeois & Tetrault
of Knowlton, Que., has dissolved by the re-
tirement of Mr. Tetrault, who has begun in
Sherbrooke on his own account.—Messrs.
Triganne & Bourgeois continue the business at
Knowlton.WE ARE GLAD to learn that the case of J. W.
Lyons vs. Rainor, Sweetnam & Hazelton,
piano makers, Guelph, Ont., appears to have
been satisfactorily adjusted, and that no inter-
ruption has been caused to the business of the
firm.M. McPHADDEN, a dealer in tinware and
stoves at Sunderland, Ont., who recently as-
signed, is offering to compromise at 40 cents on
the dollar on his own security. He has been in
business for a number of years, but only on a
small scale and with too small a capital.THE CITIZENS Insurance Co. have issued a
circular to agents, referring to the recent libel
suit—so strong that it looks almost like hit-
ting a man after he's down. The application
for a new trial in the libel case recently won by
the company in Toronto has been refused by
the courts.THE Kingston Cotton Co. are parting with
their secretary-treasurer and their manager.—
The Street Railway Company of that city is
announced to have ceased operations and sold
about one-half their stock of horses. It is still
hoped that some wealthy shareholders will buy
sufficient stock to control the concern and re-
sume operations.SEIZURE has been made upon seven cases of
goods in possession of the carriers in this city
on behalf of J. D. King & Co., shoe manufac-
turers, Toronto, who have been tracing them
from place to place in their endeavor to secure
themselves against a refractory western
customer named Bunting, who evidently
thought that goods, like individuals, were more
difficult to find if sent travelling about.
