Mercantile Summary.

— Persian postage stamps, the first ever is-
sued, have been received at Washington.

— A leading dry goods firm in this city sold
\$180,000 worth of goods to a new concern this
week.

— The Western Assurance Co., of Toronto,
have established a branch in Halifax for Nova
Scotia.

— N. Sheppard, a tinsmith of Coaticook, has
left the country for his country's good. Beyond
a few local creditors for small amounts he has
few mourners.

— Messrs. Shearer, Mackenzie & Co. have
obtained a settlement with their creditors at
fifty cents in the dollar, payable in 5, 10 and 15
months, with undoubted security.

— A provision dealer of Joliette, Chas. Guil-
bault by name, who got a settlement a few
years ago, is again in trouble, and was served
with a writ of attachment on Tuesday.

— The government sale of building lots in
Quebec, advertised in our columns to take place
on Friday, the 10th November, has been post-
poned to Saturday, the 11th inst. See last page.

— A cablegram from London says the Cana-
dian loan issued by Hon. Mr. Cartwright,
Minister of Finance, has been completely suc-
cessful. The amount asked for has been sub-
scribed three times over.

— The headquarters of the Bank of British
North America on this side of the Atlantic will
be re-transferred at Montreal on or about the
beginning of the new year. The resignation of
Mr. Chas. McNab is owing to impaired health.

— Mr. A. Frank, of Caledon, took six silver
medals at the Centennial Exhibition, for aged
Suffolk boars, two sows, and best pen of suf-
folks. He carried off the sweepstakes prize for
this breed of pigs in competition with the
whole world.

— Captain Norman Paulet of Sorel, who has
been doing business quite extensively—the
store being managed by an uncle, while he was
engaged in steamboating—has failed, the
Molson's Bank having put him into insolvency.
Mr. Paulet had heretofore enjoyed the reputa-
tion of being in comfortable circumstances,
though latterly exhibiting signs of being
pressed.
