"Glacier" Window Decoration

THE SUBSTITUTE FOR STAINED GLASS

WHAT IT IS.

The "Glacier" Decoration is a thin transparent material like galatine, stained or coloured to represent stained glass. Unlike galatine, however, it is insoluble in water. It will withstand heat, cold or moisture.

Any person can have the effect of stained glass produced in durable material on any window in perfect taste at a cost varying according to design of from 25c. to 75c. per square foot, including time, material and all charges.

HOW TO APPLY IT.

There is no troublesome and risky process of transferring to be feared in using "Glacier" Decoration. It is simply affixed to the glass with the aid of a cement supplied for the purpose. This affixing may be direct to the glass already in the window.

We wish to introduce the "Glacier" into every home in Canada, so to encourage its adoption, we offer for competition:—

THE HIGH SCHOOL DRAWING : COURSE

Authorized by the Minister of Education.

The course is now complete:

- No. 1—FREEHAND,
- No. 2—PRACTICAL GEOMETRY
- No. 3—LINEAR PERSPECTIVE,
- No. 4—OBJECT DRAWING.
- No. 5—INDUSTRIAL DESIGN.

These books are all uniform in size and style, and constitute a complete uniform series. The same plan is followed through them all—the Text, the Problems, and opposite the Problems, in each case, the Exercises based upon them. The illustration is upon the same page with its own matter, and with the exercise, in every case, is a space for the student's work. Each copy, therefore, is a complete Text-book on its subject, and a Drawing book as well, the paper on which the books are printed being first-class drawing paper. The student using these books, therefore, is not obliged to purchase and take care of a drawing book also. Moreover, Nos. 1, 4, and 5 are the only books on their subjects authorized by the Department. Therefore, if the student buys the full series he will have a uniform, and not a mixed series, covering the whole subjects of the examinations, and edited by Mr. Arthur J. Reading, one of the best authorities in these subjects in this country, and recently Master in the School of Art.

Each book is in the direct line of the curriculum, and is authorized

The examinations in High School Drawing will be set from the authorized books.
