

Select a Responsible Investment House

For the average investor, one of the most important considerations in selling or buying bonds is to be assured of the character of the firm with which he is doing business, its experience and the facilities which its various departments afford for selling, buying and investigating the worth of any security.

As an investment house with eighteen years' experience in buying and selling high-grade Canadian bonds we invite you to consult us in regard to your investment problems.

The West Shall Prosper

With France, Belgium, Rumania placing large orders for food stuffs, raw products, building material and manufactured articles in Canada, the West is on the eve of a great productive period. The field is fallow; it will produce in abundance to the hand of the husbandman. This is the time to sow.
