

**EXCHANGE OF NOTES BETWEEN THE GOVERNMENT OF CANADA AND
THE GOVERNMENT OF THE UNITED STATES OF AMERICA CONSTITUTING
AN AGREEMENT CONCERNING THE CONTINUED USE OF THE CHURCHILL
RESEARCH RANGE**

I

*The Ambassador of the United States of America to the Secretary of State for External
Affairs of Canada*

Ottawa, June 8, 1976

No. 120

Sir:

I have the honor to refer to the Agreement between the Government of the United States of America and the Government of Canada and the recent discussions between representatives of our two Governments concerning the support of United States activities at the Churchill Research Range. This support was the subject of an Exchange of Notes with annex signed at Ottawa November 16 and December 18, 1970⁽¹⁾ as extended by an Exchange of Notes signed at Ottawa June 29, 1973.⁽²⁾

By its terms and conditions the Agreement as amended will expire on June 30, 1976, unless extended for additional periods. Because of continued mutual interest of both countries in the research programs and accommodation of United States activities at the Range, I have the honor to propose that the Agreement be extended for an additional period of three years, that is, until June 30, 1979, unless terminated by either Government on three months' written notice to the other or unless extended for additional periods by mutual agreement of our two Governments.

If this proposal is acceptable to the Government of Canada, I have the further honor to propose that this Note together with your affirmative reply, constitute an Agreement on this matter effective on the date of your reply.

Accept, Sir, the renewed assurances of my highest consideration.

THOMAS O. ENDERS

The Honorable Allan J. MacEachen, P.C.,
Secretary of State for External Affairs,
Ottawa.
