London, W.1, England.

Dear Sirs:-

Will you please send to General Sir  
Arthur Currie, McGill University, as soon as con-  
venient another dozen photos 31383 G.

The mount on those you sent in  
response to letter of October 11th last was rather  
larger than the General desires. Will you please  
send these somewhat smaller.

Yours very truly,

Secretary.
