SCHOOL OF COMMERCE.  
OFFICE OF THE DIRECTOR

April 11th, 1927.

Sir Arthur Currie,  
Principal,  
McGill University,  
Montreal.

Dear Mr. Principal,

I am sending you herewith the full description of our two-year Extension Course in Accountancy, Law and Mathematics. This matter is for insertion in the Commerce Announcement.

It is probable that the course entitled "Elements of Actuarial Science" will not be given until 1928-29.

Yours very truly,

*R. M. Sugars*

N.B. Is it your wish that I should take charge of, and insert in our Announcement the other Evening Courses that will be given in connection with the Department of Commerce; - I mean, such courses as "Accountancy for Business Men", "French for Business Men", and "Beginners' Course in Spanish"?
