

The justice of the teachers' position seems to be established by the facts and statements made in this report. As it is a matter affecting pensioners and present teachers, it is also a matter of concern to the Protestant Committee of the Council of Education.

For that reason, this report is being presented to you in the hope that you will become acquainted with the difficulties of the Pension Fund and give your benevolent support to the teachers' requests for financial stability of the Fund and the removal of inequalities.

Respectfully submitted,

SINCLAIR LAIRD.

Pension Commissioner.
