

ADVERTISEMENTS.

Thoroughly and carefully revised in 1884, and largely augmented.

NEW ENGLAND.

A Guide to the Chief Cities and Popular Resorts of New England, and to its scenery and historic attractions; with the Western and Northern Borders from New York to Quebec, with maps and plans of

**NEW ENGLAND,
PROVIDENCE,
MOUNT AUBURN,
ENVIRONS OF BOSTON,**

**NEWPORT,
CENTRAL PARK,
BOSTON,
NEW HAVEN,**

**NAHANT,
HUDSON RIVER,
QUEBEC,
HARTFORD.**

**WHITE MOUNTAINS,
PORTLAND,
MONTREAL,
LAKE WINNEPEGAWKE.**

"Osgood's 'Handbook to New England' bids fair, in New England, to rival the fame of Murray and Baedeker abroad. It merits the good words as well as the liberal patronage it receives, for it is a faithful, painstaking piece of work, and condenses into brief compass a vast amount of information, which all tourists to the seaside, mountain, and country summer-resorts of New England will gladly possess."—*New-York Evening Post*. "It is superior to any guide-book ever before issued in this country, and shows an accuracy, industry, and amplitude of material really surprising."—*Commonwealth*. "This volume richly deserves a place in every trunk and library east of the Hudson River."—*Christian Register*. "This is a pattern guide. In the first place it is truthful, and in the second place it is minute."—*New-Church Magazine*. "The best traveller's handbook of New England that has ever been published."—*New-Haven Palladium*. "We do not hesitate to commend it for its thoroughness and careful accumulation of facts."—*Worcester Gazette*. "There is a vast amount of information contained in this work."—*Chicago Inter-Ocean*. "It is the most complete and readily available work of the kind to be found anywhere."—*Boston Post*. "The book is compact and crowded. . . . The information in regard to the different localities is full, minute, and exact."—*Boston Transcript*. "It is by all odds the best book of the kind that has ever appeared, leaving all others far behind, — so far, indeed, that they are out of sight of it."—*Boston Traveller*. "It is about as nearly faultless as such a book can be, — carefully edited, beautifully printed, and neatly bound. There is not a page too much or too little about; and its red cover, clean typography, and convenient size, recall the masterpieces of Baedeker."—*New-York Tribune*. "Before you begin to travel in New England, be sure to provide yourself with Sweetser's 'Handbook.' It is a small, compact volume, with maps and plans and tours; with history condensed, and such illustrations as make it a constant help and pleasure to the tourist. It is admirably put together, and is a vast labor-saving guide for one who wishes to know what to see and what he is seeing."—*Rev. Dr. PRIME, in New-York Observer*.
