FIRE and LIFE INSURANCE Business transacted on the most favorable terms.
Short period GRAIN and other risks, taken on advantageous terms and at moderate rates.

The Directors having received instructions from the Home Office to introduce the Life Branch of this Company in Canada, have much pleasure in stating that they are now prepared to grant Life Policies and Annuities, and to secure to their clients all the benefits derivable from the system of Life Assurance.

The high position and large patronage hitherto enjoyed by the Company in the Fire Department will, it is hoped, aid in securing for it a share of Life risks.
