QUITE NEW REASONS
FOR RAISING BRIDGE
GIVEN BY SIR ADAM

Not Matter of Economy, But
Necessity Now.

When the London Railway Commission, composed of Sir Adam Beck and Philip Pocock, appeared before the council last night, Mayor Somerville asked if the council would hear them. Ald. O. G. Keene made a motion that they be heard. "But limit them to five minutes," said the alderman. Controller Little agreed.

Mr. Pocock took fifteen minutes and Sir Adam well over half an hour. Sir Adam's argument for raising the bridge was a brand-new one. He did not favor the financial saving as connected by Secretary Spittal and Manager Richards, with honorable mention. Mr. Richards said that they had to cut some trains when they stopped at "Phillip street. He never mentioned a word about stopping at Ottawa avenue because of the street cars. He never mentioned that the law compels them to stop at the station road. Sir Adam said that as far as cutting trains was concerned, there might be one a month or one a week cut.

Sir Adam said that it was proposed to pay for the raising of the bridge out of revenue. The commission has just previously secured from the council the \$50,000 line of credit. "The latter money," he said, "was needed immediately, and the raising of the bridge would go ahead at once."

The board of the council will keep its weather-eye on the footbridge proposal, and will wait a week to see whether steel for the bridge can be secured. If not, it is likely that the city will erect a swing bridge over the river.

MAJESTIC
Marguerite Clark at the Majestic Theatre Thursday, Friday and Saturday in "Uncle Tom's Cabin."

Dramatic action, thrills and expectancy are features of "Uncle Tom's Cabin," the new starring vehicle for Marguerite Clark, which will be displayed at the Majestic Theatre Thursday, Friday and Saturday. The scenes of the story are laid in the south during slavery days and Miss Clark will be seen in two distinct roles—those of Eva and Topsy, the latter a colored girl. The picture was well directed and the support is excellent.

MAYOR WILL NOT

SUNDAY CONCERTS

Sunday band concerts were aired before the city council last night. Ald. Watkinson asked the mayor if it was the intention to discontinue these concerts.

Mayor Somerville replied: "It is not my intention."

Ald. Watkinson said that he understood the Lord's Day Alliance objected to them on the ground that the band-ucers were paid for their services. He said they seemed to forget that they pay soloists and organists in churches.

A local youth who spent the weekend at Port Stanley had an interesting experience Monday afternoon, while strolling down the board walk in his bathing suit. He had just left his cottage, and had not proceeded a great distance, when he was hailed by a military policeman and asked to show his papers.

The youth in question, having no pockets in his bathing suit, a la Palm Beach, informed the zealous member of the police that his papers were at the cottage, and offered to accompany him to this place in order to satisfy his curiosity.

He was allowed to proceed to his weekly bath, however, after the inquisitive one had taken his name, and exacted a promise from the paperless youth that he would report Tuesday morning at the local armory, minus the bathing suit, but armed with the necessary documents.

LONDON'S EXHIBITION

The official program of the Western Fair has just been issued and a glance over the same will assure the public that a visit to the Exhibition will be well worth while this year. There will be two speed events daily with \$400 purses all week, with only two exceptions. A new system has been adopted of making every heat a race and dividing the money accordingly. This should bring out the very best horses and the best that is in them. There will be fireworks of the very best each night after the platform performance is over.

Plenty of music will be furnished by the best bands obtainable several being in attendance each day. The platform program will be of a very high order and will be carried through each afternoon and evening with dispatch so that there will be no long waits between acts.

The Midway will be filled with shows and riding devices by "The Show World Exposition Shows" Carnival Company and will be a source of fun and amusement for all visitors to the Exhibition. If favored with suitable weather this should be the best Exhibition ever held in London.

ENEMY PUTTING
UP FIGHT WITH
BACKS TO AISSE

Preparing for Stiff Resistance
To Cover Further
Withdrawal?

ATTACK ON BRITISHERS
GERMANS TAKE ADVANCED
Lines in New Positions
North of Somme.

WITH THE AMERICAN ARMY ON THE AISNE-MARNE FRONT, Aug. 6.—By the Associated Press.—With their backs to the Aisne, the Germans continued preparation today for what may be either a stiff resistance to give them more time for further withdrawals, or for a definite stand. Minor actions along the American portion of the front, and in the adjoining French sectors marked the day.

The little force of men who were sent into Hamcourt, maintain their foothold, although they are not yet across the river which flows through the extreme northern portion of the town.

Under a heavy barrage all their wounded have been taken out and the night food was taken to them.

ALLIES HOLD GROUND.
PARIS, Aug. 6.—"Aside from artillery activity east of Soissons, and on the Vesle, there is nothing to report from the whole of the front," says the French official communication. "The French have held their ground. North of the Vesle the Germans have been repulsed in efforts to dislodge the French. The French units which crossed from the south bank, says the official statement from the war office today, have taken a few prisoners and advanced to the Avre, north of Montdidier."

BRITISH FORCED BACK.
LONDON, Aug. 6.—The Germans by a strong local attack, against British positions along the Bray-Corbic road, north of the Somme, succeeded in taking forward trench lines on a small portion of the front. Local fighting continues in this area, and the British have taken a few prisoners, according to the war office statement today.

"At dawn this morning the enemy launched a strong attack against our new positions south of Morlan-court, astride the Bray-Corbic road. The British held their ground, and a portion of the reserve, succeeded in carrying our advanced trench lines on a portion of the front. Local fighting is still taking place in this area, and the British have taken a few prisoners, according to the war office statement today."

Walt Advances Line.
"Southward of Morlan-court, the British have been further advanced on a front of about two thousand yards. A few prisoners also were captured by us in this area."

"In addition to the German airplanes destroyed August 3 in air fighting in the neighborhood of the Somme, another was shot down that day by machine gun fire from the ground."

BERLIN RECORDS GAIN.
BERLIN, via London, Aug. 6.—Wurttemberg troops of the Somme River have stormed British positions along the Corbic road and taken in the neighborhood about hundred prisoners, says the German official communication issued today. The communication also says that reconnoitering activity in the Aisne and Avre regions and south of Montdidier has been lively. The text reads:

"There has been lively reconnoitering activity especially in the Aisne and Avre sections and south of Montdidier. Early today north of the Somme Wurttembergers stormed the foremost English line along the Bray-Corbic road, and brought back about a hundred prisoners."

Repulse for Allies.
"After partial thrusts without success the enemy yesterday advanced with strong forces to the attack against the Vesle section, on both sides of Braines and northward of Jonchery. We drove them back in a counter-attack out of small sections of woods on the north bank of the river, in which they had temporarily located themselves. Several hundred prisoners remained in our hands. The rest of the enemy's attack had already collapsed under our artillery and machine gun fire before reaching the Vesle."

50,000 BUSHEL OF
FALL WHEAT SEEDS
COMING FROM N. Y.

Ontario Government Has
Made Arrangements.

TO SELL AT \$2.50 BUSHEL
Dr. C. A. Zavitz Has Secured
Options on Enough to
Supply Need.

TORONTO, Aug. 6.—Arrangements have been made by the department of agriculture to secure 50,000 bushels of fall wheat seed in New York State to be used as the equivalent for Ontario, according to an announcement today by Dr. G. C. Creelman, commissioner of agriculture. The wheat will be available to farmers at distributing points at \$2.50 a bushel in bulk. Extra charge will be made for shipping the wheat in bags.

As the result of inquiries made by the department it has been found that the wheat seed as was at first feared. In some sections of the province the crop is turning out very well, and as it is being harvested this week it will no doubt in many places be threshed in time to supply the needs of Ontario.

Enough for Province.
Dr. C. A. Zavitz of the Ontario Agricultural College, who is supervising the securing of the seed in New York State, has already taken options on enough wheat seed to supply the needs of the province. The grain will be reclaimed before being shipped to Canada. In addition to the seed the department is now organizing the distribution of fall wheat seed procurable in Ontario. The department will not be satisfied until the seed is available. They are inspecting the wheat as to quality. The experts are co-operating with the district agricultural representatives. The latter are finding out what the requirements of the districts are. A good deal of this work has been done. Brant County, for example, has very little fall wheat seed and will need a good deal shipped in.

GEORGE the FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come or whom the same may in any wise concern,—GREETING :

A Proclamation of conditional amnesty respecting men belonging to Class 1 under the Military Service Act, 1917, who have disobeyed our Proclamation of 13th October, 1917, or their orders to report for duty, or are deserters or absent without leave from the Canadian Expeditionary Force.

E. L. NEWCOMBE, Deputy Minister of Justice, WHEREAS considerable numbers of men belonging to Class 1 under our Military Service Act, 1917, called out on active service in our Canadian Expeditionary Force for the defence of Canada under our Proclamation of 13th October, 1917, although they have thus become by law soldiers enlisted in the Military Service of Canada,

Have failed to report for duty as lawfully required of them under the said Military Service Act and the regulations thereunder, including the Order in Council duly passed on April 20 last,

Or have deserted, Or absented themselves without leave from our Canadian Expeditionary Force,

And it is represented that the very serious and unfortunate situation in which these men find themselves is due in many cases to the fact that, notwithstanding the information and warning contained in our Proclamation aforesaid, they have misunderstood their duty or obligation, or have been misled by the advice of ill-disposed, disloyal or seditious persons.

AND WHEREAS we desire, if possible, to avoid the infliction of the heavy penalties which the law imposes for the offences of which these soldiers have thus been guilty, and to afford them an opportunity within a limited time to report and make their services available in our Canadian Expeditionary Force as is by law their bounden duty, and as is necessary for the defence of our Dominion of Canada.

NOW KNOW YE that we in the exercise of our powers, and of our good will and pleasure in that behalf, do hereby proclaim and declare and cause to be published and made known THAT THE PENALTIES OF THE LAW WILL NOT BE IMPOSED OR EXACTED as against the men who belong to Class 1 under our Military Service Act, 1917, and who have disobeyed our Proclamation aforesaid; or who have received notice from any of our registrars or deputy registrars to report for duty on a day now past and have failed so to report; or who, having reported and obtained leave of absence, have failed to report at the expiry of their leave, or have become deserters from our Canadian Expeditionary Force, PROVIDED THEY REPORT FOR DUTY ON OR BEFORE THE TWENTY FOURTH DAY OF AUGUST 1918.

Premier Lenine May Decide
To Take Action Any
Day.

LONDON, Aug. 6.—It is reported from Moscow by way of Berlin, that the Bolshevik Government in Russia is considering a declaration of war against Japan, says an Exchange Telegraph dispatch from Copenhagen today.

Premier Lenine, the message adds, has up to this time been opposed to such action, but it is believed that Russia "will be compelled to declare war notwithstanding the fact that the people are opposed to any new war."

PLOT TO KILL LENINE.
WASHINGTON, Aug. 6.—Swedish press reports of a plot to kill Lenin and Trotsky, the Russian Bolshevik premier and foreign minister, were received today at the state department. When Lenin called on the new German minister the streets of Moscow through which he passed were closed by the police.

Berlin has reported that all private communication between Russia and England has been suspended by order of the Bolsheviks.

M. MALVY GUILTY
AND IS BANISHED
FOR FIVE YEARS

Sentence Does Not Carry
With It Civic Degradation.

PARIS, Aug. 6.—Louis J. Malvy, former minister of the interior, was found guilty today to holding communication with the enemy, and sentenced to five years' banishment. The sentence, however, does not carry civic degradation.

The judgment of the court will be carried out as soon as the minister of justice is formally notified of the verdict. Malvy will have the choice of the frontier by which he will leave France and will be conducted thither by a police inspector. The former minister forfeits his seat as a member of the Chamber of Deputies as a consequence of his condemnation.

The sentence of five years' banishment is the minimum for the offence under the penal code.

WINNIPEG, Aug. 6.—Much concern is felt here for the safety of a party of five, consisting of Mr. and Mrs. Nelson B.
