## Baseball Toronto - 3-9 Bowling Another For Cricket Canada XI Victorious

#### Note and Comment

"poisoned pups' from Detroit deserves well of mankind in general."

The Detroit writer says: "It possibly might have been better taste to have delayed the publication of the above 'until after the Athletics had finished their Cleveland engagement. The fact that neither Young nor Joss started in any game, taken in connection with this sort of newspaper talk, is not l'ke-already suspicious of basebail's honesty."
