London, Jan. 9.—(By Canadian Associated Press.)—Fully \$50,000 persons attended the 32 matches of the first round of the Football Association Cup on Saturday and the receipts were nearly 60,000 pounds sterling.

As far as the results were concerned there were none more surprising in the whole record of a competition that is famous for surprises. There were six drawn games and only four clubs were defeated on their own grounds. On the whole the scoring was low, the highest total being 7, by Burnley, the present leaders in the first division of the league, against 3 by Leicester, a second division club.
