

the Notre-Dame Hospital renews the expression of its liveliest gratitude. It desires that a more marked testimony be given to the worthy President of the Kermesse, Madame J. R. Thibaudeau, who was wholly devoted to the furtherance of the enterprise and towards whom the Hospital has on this occasion contracted an insolvable debt of gratitude.

The report of the Committee of Lady Patronesses for the year 1884 shall only be made towards the end of December and shall be published in the annual report of the Hospital for 1884-85. It will contain all details relating to the grand Kermesse.
