

Undigested Food

When any portion of food remains in the stomach and refuses to digest, it causes the torments of indigestion. This undigested food rapidly ferments, irritating the sensitive coating of the stomach, while other parts of the body, particularly the head, suffer in consequence.

So long as this undigested food remains in the stomach, the discomfort continues. A few doses of

BEECHAM'S PILLS

stop all fermentation, sweeten the contents of the stomach and give natural assistance that relieves the stomach of its burden. The use of Beecham's Pills gradually strengthens the stomach nerves and soon restores them to a normal, healthy condition.

Beecham's Pills positively cure all stomach troubles, while their beneficial effects on the liver and kidneys greatly improve the general health.

Beecham's Pills have been used and recommended by the general public for over fifty years.

Prepared only by the Proprietor, Thomas Beecham, St. Helens, Lancashire, Eng. Sold every where in Canada and U. S. America. In boxes of 20 cents.

(Continued.) "How long have you been in hiding?" I asked. "Since the coming of the Austrians about sunset. We saw them from the upper gallery. "We were afraid of the Austrians then?" "We were afraid," came her reply. Never had I thought to hear a like confession from her lips. "So you and the good father fled hither," continued her sister, picking up the tale, "determined that we should leave Rohn this night."

HER BEST EMBROIDERY PROCK.

Lingerie frocks for little ladies are delightful affairs of fine linen, batiste, much embroidery and some lace. Skirts are of knee length, but the ruffles begin far above them, measuring usually from eight to ten inches and composed chiefly of pin tucking entire done with embroidery set upon an equally elaborate foundation, which is finely plaited into the waistband. At the moment the bill yokes in fashion, which is very young girls, as this practically covers and pre-eminently fashionable for very young girls, as this practically covers and pre-eminently fashionable for very young girls, as this practically covers and pre-eminently fashionable for very young girls.

SKIN ERUPTIONS AND PIMPLES

Disappear Under a Treatment With Dr. Williams' Pink Pills.

There can be health and vigor only when the blood is rich and red. There are thousands of young men just approaching manhood who need the rich, red blood that only Dr. Williams' Pink Pills can make. They have no energy, tire out at the least exertion, and who feel by the time they have done their day's work, as though the day was a week long. In some cases there is a further sign of danger in the pimples and disfiguring eruptions which break out on the face. These are certain signs that blood is out of order and that a complete breakdown may result. In this emergency Dr. Williams' Pink Pills is the medicine those young men should take. These pills actually make rich, red blood. They clear the skin of pimples and eruptions and bring health, strength and energy. Here is the experience of Adolphe Roland, of St. Jerome, Que., a young man 19 years of age, who says: "For more than a year I suffered from general weakness, and I gradually grew so weak that I was forced to abandon my work as a clerk. My appetite failed me, I had occasional violent headaches and I began to suffer from indigestion. I was told so rapidly that I began to fear that consumption was fastening itself upon me. My family doctor treated me, but I did not improve under his care. I was in a very discouraged state when a friend from Montgomery came to see me. He strongly advised me to try Dr. Williams' Pink Pills. I did so and inside of three weeks I began to feel better; my appetite began to improve and I seemed to have a feeling of new courage. I continued the pills till I had taken ten boxes and I am now enjoying the best health I ever had. My cure surprised many of my friends who began to regard me as incurable, and I strongly advise every young man who is weak to follow my example and give Dr. Williams' Pink Pills a fair trial." Real blood is the cause of all common diseases: rheumatism, neuralgia, neuritis, rheumatism, sciatica, indigestion, all nervous troubles, general weakness and the special ailments that only women folk know. Dr. Williams' Pink Pills are the one cure, because they go right to the root of the trouble in the blood. They change the bad blood into good blood, and thus bring health, strength and energy. You can get these pills from any medicine store or by mail at 50c a box, or six boxes for \$2.50 from Dr. Williams' Medicine Co., Brockville, Ont.

C. Ritchie, of Chipman, is at the Victoria.

CONVICT SHOT BY SOLDIERS.

Burlington, Vt., May 8.—While making a break for liberty from the guard line Patrick Rynne, a convict at Fort Ethan Allen, was shot and instantly killed tonight by Private Thomas R. McLean. Rynne, including convicts Hoots and Butler, and Private Strom, of B troop, Eleventh Cavalry, who was on duty as a sentry over the two convicts, made their escape, but were later recaptured and taken back to the fort. Rynne at the time of enlistment gave his place of residence as New York City. He was put in the guard house for being drunk and disorderly, and about two months ago endeavored to escape by jumping through a window. He was arrested as a deserter, and was sentenced to eighteen months' imprisonment. The shooting occurred at about five o'clock while a squad of convicts were at work on the target range, about a mile from the fort.

Last evening in the rooms of the St. John's Deaf Mute Association, a very pleasant event took place when President Baile, on behalf of the members, read an address to Miss Beatrice E. McLean and at the conclusion of the address Miss McLean was made the recipient of a purse of gold. She was very much surprised at this expression of good will but made a suitable response. Miss McLean will leave in a few days for Chipman. The portwardens inspected the steamer Benin, which returned up harbor after striking an obstacle on her way out. They found that the ship was not leaking and recommended that she proceed to her port of destination, Cape Town. She sailed last evening.
