SAD DEATH OF MISS ARIE H. SNOWBALL

Lieutenant-Governor's Youngest Daughter Died of Consumption at Fredericton Today... Supreme Court Opened This Morning with Smallest Docket for Years.

FREDERICTON, N. B., June 5.—(Special)—Miss Arie H. Snowball, youngest daughter of Lieutenant Governor Snowball, passed away at Government House at seven o'clock this morning after a lingering illness from consumption. She was twenty-one years of age and survived by her parents, three sisters, one brother and two half brothers. The deceased was taken ill while attending school in Switzerland two years ago and was obliged to abandon her studies. She spent last winter in the Adirondacks, but the change proved of little benefit. She returned home in April and has since been gradually failing.

A BURGLARY AT SUSSEX

Sussex Mercantile Store Entered This Morning — One of the Burglars Captured.

There was a daring burglary at Sussex early this morning. Five men entered the store of the Sussex Mercantile Company and secured two dress suit cases, which they filled with goods. They were discovered and after a chase one man was caught, together with the goods, while the other four fled. It was about 1 o'clock when the alarm was given. The fact that someone was inside the store and Chief of Police McLeod went to investigate and they found on arrival at the store that the marauders had made off. They gave chase and finally one man was run down at the railway station. He crawled in under the freight siding and without hesitation young McLeod went to the fact that someone was inside the store and Chief of Police McLeod went to investigate and they found on arrival at the store that the marauders had made off.

A WOMAN CHEF AID TO ROOSEVELT IN THE CANNED MEAT CASE

NEW YORK, June 5.—President Roosevelt's information regarding the conditions of the Chicago stock yards and packing houses was largely secured through the work of a woman, Ella Reeve Bloor. She was Upton Sinclair's assistant in accumulating the information which he used in his book, and when Roosevelt's Commission started out to investigate she was asked to aid them. It was she who led them into saloons, packing houses, the homes of the employers of the companies, and found the men and women who told of the slaughterhouse scenes.
