

# LINGERING WEAKNESS FOLLOWING DISEASE

Banished by the Wonderful Tonic  
Powers of Dr. Williams' Pink Pills.

How often victims of disease such as in grippe, fevers, and contagious troubles are left weak, ailing and despondent after the disease itself has disappeared. They do not pick up strength as they ought; remain listless, tired and discouraged. The reason for this is that the blood has been impoverished by the ravage of the disease through which the victim has passed. Strength will not return until the blood has been enriched. The blood can be purified and enriched by no other medicine as quickly and as surely as by Dr. Williams' Pink Pills—to enrich the blood and strengthen the nerves is the whole mission of these pills. Thousands have found them beneficial in bringing strength and energy after disease had left them weak and run down. Miss Hannah Hamilton, Everett, Ont., says: "After an attack of la grippe I was so run down and anemic that I could scarcely walk. I had no color, no appetite, and constant headaches. The medicine I was taking was doing me no good and I had almost lost hope of getting better. I was asked to try Dr. Williams' Pink Pills, and it was not long until I could feel that they were helping me, and after taking them for a couple of months I was completely cured. I now never fail to recommend these pills to anyone needing a blood builder." You can get these pills through any dealer in medicine or by mail postpaid at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

# BATHE INTERNALLY

Over 500,000 People Are Now Doing So.

For many years physicians have agreed that the vast majority of human ills were caused by accumulated waste in the Lower Intestine; that in our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be, and that the poisons from this waste, circulating through the blood pulled us away down below par and were responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for Internal Bathing has, because of their recommendation and those of their users, been steadily growing in favor. Recently, however, the startling news which has been covering this country, that great surgeons and specialists have been operating on the Lower Intestine for the most chronic and serious diseases, has caused Americans to become thoroughly awake to the importance of keeping this Lower Intestine free from all poisonous waste matter. Over 500,000 are now using Internal Baths.

If you try the "J. B. L. Cascade" you will find yourself always bright, content and capable—the poisoned waste makes us bilious, blue, dull and nervous. Internal Baths are Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.

Call and see it at E. Clinton Brown, Druggist, corner Union and Waterloo streets; also F. W. Munro, Dispensing Chemist, 337 Main street, St. John, or ask there for "Why Man of Today is Only 50 Per Cent. Efficient," a booklet of great interest, which is given free on request. was played for the benefit of the Red Cross Society.

Evans' medal score for the eighteen holes was 70. Par for the course is 72, and bogey 88. Swift's score was 87. Clark made it in 75, and Sawyer had 83. The amateur record is 73, and the professional 70.

**AT HLETIC**

**Goulding's Record Holds**

New York, June 14.—George Bonhag, whose sensational victory in the one mile walk in the New York A. C. games ten days ago started a discussion which threatened to split amateur athletics from top to bottom, was declared last night by the registration committee of the Metropolitan Association of the A. A. U. to have competed illegally, and he was therefore disqualified and the prize he won awarded to H. Von Bagen, who automatically became the winner.

Though it has been contended that Bonhag's performance was unfair in that, according to experts present at the meet, he did not walk in accordance with the rules, the specific charge on which he was disqualified was based on the fact that he entered the contest as a member of the New York A. C. without authority. The action of the committee in disqualifying Bonhag leaves the record for the mile walk in possession of George Goulding, of Toronto.

**Decisive For Fleming.**

Fighting in form that he has not reached in many of his previous bouts Frankie Fleming scored a decisive victory over Eddie Wallace in a ten round bout in Montreal on Wednesday night before the members of the Canadian Hockey Club at the Gayety Theatre. Fleming assumed a comfortable lead after the fifth round and left little doubt as to the outcome of the meeting with his old time rival. Fleming showed a more finished style than Wallace and outpointed him at all styles of fighting.

The fight was replete with science and thrilling rallies by Wallace, who, when he looked to be all in, would come back again and fight toe to toe with the Canadian. There was no advantage in the weight and no excuse to offer for defeat as both were trained to the minute and ready to go over even a longer route than ten rounds. For the first four rounds Wallace held his own, and the bout was an even one up to the fifth of that round. In the early stages of the fifth Fleming jolted his opponent on several occasions which slowed him down and for a time took the snap out of him.

The pace cut out by the fighters was an almost killing one and many looked for one or the other to crack and slow down before the limited number of rounds. They carried it through, Fleming showing the way and Wallace keeping up with him. The second round was the best of the ten and in it the fighters exchanged punches frequently until Fleming rallied and won the honors. The next two were as fast but were more even. In the fourth, if there was any advantage it could have been claimed by Wallace. In the closing rounds Fleming had Wallace badly marked, while he himself had hardly a sign on him. This settles all argument as to which is the better fighter, and the Gazette says that Fleming with Kilbane out of the way would be the title-holder on his showing of Wednesday night.

The semi-windup, a bout between Kid Thomas and Patsy Dillon, resulted in a draw, both boys doing the leading at times, while both were good on the defensive. In the preliminary Draton and Giroux fought a six round draw. The bouts were witnessed by one of the largest crowds that has ever attended a ring contest in Montreal.

**Royals Get Hoyt**

Two pitchers signed this week is evidence that a strong effort is being made by the Montreal Royals to strengthen the rather weak slabbing department of the club. Hoyt, a right-hander, has been secured from the New York Giants' training trip this season. He needs only seasoning, according to the New York Club, and he will get that in the International.

With the signing of Hoyt and Lyons, the latter secured from the Toronto club, the Royals now have a fair fling-staff. Lines are out for two more hurlers.
