

PROTECT YOUR HANDS

If you have been careless about your hands, if they have become calloused with house work, you can restore them again to softness and whiteness by wearing a pair of rubber gloves, which protect your hands from stain and soil and cause them to perspire to a perfect whiteness.

CORSICAN CASE GOES OVER UNTIL FRIDAY

Charge Against Sailors That of Broaching Cargo

Five members of the crew of the S.S. Corsican, which arrived in port yesterday, were before the local police court this morning charged with breaking and entering a hatch of the steamer and stealing several parcel post packages, on November 27. The sailors are John Lee, George Monetta, John Gannon, Peter Christensen, all of England, and Griffith Eranowas, of Wales.

Fred R. Taylor appeared on behalf of the C. P. R. and asked adjournment until Friday, when the C. P. R. policemen who made the arrest, would be better able to proceed with the case. This was granted. The men were released. The value of the goods is said to reach several hundred dollars. The

LOCAL NEWS

LATE BUT WELCOME

The Times yesterday received a bunch of daisies picked on last Saturday in the garden of Mrs. W. H. Myles, Renforth. It's a great land in which we live.

WEST SIDE FIRE

The West side fire department was called out this morning a little before noon to respond to an alarm from box 15. It was for a slight blaze in a house owned and occupied by Daniel Lenz, situated off Middle street at the "Old Fort." Little damage resulted.

ON THE ROUTE AGAIN

The ferry steamer Maggie Miller, which plies between Millidgeville, Somerville and Bayswater, was unable to make her usual trips yesterday, owing to ice forming around her landings. She was able to resume her sailings this morning.

HER SEVENTY-SIXTH BIRTHDAY

A party of more than fifty friends called at the parsonage of St. Paul's A. M. E. church last evening and paid a surprise visit to Mrs. Washington, mother-in-law of the parson, Rev. R. H. W. Finkett. The occasion was the seventy-sixth anniversary of her birthday and many suitable gifts were bestowed on her in honor of the event.

TO FREDERICTON TONIGHT

The cast that played here in "The Climbers" will leave this evening for Fredericton, where they will present the comedy-drama tomorrow evening under the auspices of the Women's Volunteer Relief of Fredericton. The proceeds are to be for the Red Cross. The local amateurs are asking only their expenses. That they will score as big a hit in the capital as they did here is expected, as the cast has had several rehearsals since the presentation of the play here. Miss Kathryn Gallivan and Walter D. Pidgeon will sing solos.

NO BUSINESS FOR THE CIRCUIT COURT

Not a Juror Summoned—First Time in Thirty-Five Years

The November circuit court met this morning with Mr. Justice Crockett presiding, and a few minutes later adjourned sine die. Not a single juror either for the grand or petit juries was summoned. This was the first time in thirty-five years that such a thing has happened. The absence of civil or criminal business rendered the summoning of jurors unnecessary.

The case of the King vs. Ditt, in which the defendant was committed yesterday, is set over until next circuit.

GIRL PREVENTS HER EMPLOYER BEING ROBBED

Last evening between eight and nine o'clock a young man entered John Henderson's restaurant in Main street and ordered a substantial lunch. While the waitress was in the kitchen he heard the cash register bell ring and went out to investigate. She was surprised to see the young man reaching into the till and taking something from it. She intercepted him before he succeeded in getting the door open and upon her threatening to call the police he returned to her a dollar bill which he had taken. Mr. Henderson when he returned desisted from having the young man arrested for the sake of his people.

WANT A SHELTER AT STREET RAILWAY STATION

A matter causing a good deal of discomfort already and which will not improve as winter conditions have to be faced, is that no shelter has yet been placed at what is known as Fairville crossing, where the West End and Fairville cars have an junction point.

In the days of the old bridge, a waiting room was available at either end of the line to accommodate passengers waiting for cars, but with the new bridge of things no building was erected for passengers having to wait there.

There is considerable traffic all day in this direction, but especially in the early morning hours and at night, when large numbers of men are going to or coming from work at the winter port.

There are no houses in the immediate vicinity to afford even a temporary roof in case of inclement weather, and as sometimes quite a long wait has to be experienced under these conditions, the traveling public are looking for a remedy.

NOVEMBER WEDDINGS

Harris-Bourke.

An interesting event took place in the Cathedral this morning when at six o'clock Rev. H. L. Coughlan united in marriage with nuptial mass, Miss Frances Bourke, daughter of Mrs. Theresa and the late Edward Bourke of this city, to John Harris, of Gibson N. B. The bride was becomingly gowned in a suit of battleship gray with white velvet hat and carried a white prayer book. She was attended by her sister, Miss Sadie Bourke. The groom was supported by J. Frank Ward. After the ceremony a dainty wedding breakfast was served at the home of the bride's aunt in Douglas street, North End. The groom is a popular member of the Royal Hotel staff. He and his bride will spend a short honeymoon in Fredericton and then return to their home at their residence in Chubb street. Mr. and Mrs. Harris were made the recipient of many wedding gifts including cut glass, silver and china. Both have many friends in this city and elsewhere.

Bennett-Giles

Rev. H. E. Bennett of Lower Jemseg and Miss Edith Giles of London, England, were married in the Mission church, St. John Baptist, at 8:30 o'clock this morning. Rev. Canon Southers of Fredericton officiated and Rev. J. V. Young, pastor of the church, was celebrant at nuptial Eucharist. The bride, who was becomingly attired in a tailored suit of navy blue with white picture hat and ostrich plumes, was given away by C. H. Lee. Following the ceremony a dainty wedding repast was served at the church rectory. Rev. Mr. Bennett and his wife will reside at Lower Jemseg.

SLOWLY GAINING GROUND

More Financial Assistance Needed So That Greater Amount of Good May be Accomplished—Urge Free Ward at River Glade

The annual meeting of the St. John Association for the Prevention of Tuberculosis was held this afternoon at four o'clock in the Board of Trade rooms, with the retiring president, Joseph A. Likely, in the chair. The chief business of the meeting was the consideration of the annual reports and the election of officers for the coming year.

The executive's annual report of the work done since the last annual meeting on Nov. 16, follows:—

The Dispensary.

The dispensary has been open fifty-eight days for children and 116 for adults, a total of 174 days during the year. Our experienced nurse has been in attendance each day and Dr. Logie has examined and treated all cases that have come for treatment. Some of the cases are recommended for the County Hospital and are examined by Dr. Farris sent there as soon as possible; others are recommended for River Glade, and if possible go there, others again are treated in the homes, and a number are discharged as not being tubercular at all.

The attendance at the dispensary has been slightly larger than last year, as against 468, a total of 587 attendances, each one of which has been examined or treated in one way or another, and 870 prescriptions were filled. At the beginning of the year there were twenty-eight children and sixty-four adults, a total of ninety-two on the books, fifty-three new children patients were added, and 115 adults, nine children and thirty adults were sent to the County Hospital, and nine adults died, leaving on the books at the end of the year twenty children and sixty-eight adults, a total of eighty-eight, four less than last year.

Many who come for examination are non-tubercular and are discharged after a period of observation. There are also a number of patients who have come from River Glade and who report regularly for examination. During the year we have sent three patients to River Glade one child, two women who, except for help from the dispensary, would have been unable to go, as we are presently sending another grown girl. We have no regular fund for helping such cases, but have been helped by private subscriptions, and by the church which the patient attends. It is greatly to be regretted that there is no free ward at River Glade.

It generally happens with the lady who is in charge at the dispensary at the time such a case comes up to get the necessary funds together in some way or other. As our emergency fund, which is used for such cases when it is at all possible, is also used to supply milk to such patients as need it, it is often at a very low ebb.

The dispensary is still the examining centre for River Glade, and Dr. Townsend is the first physician to examine each month and at his last clinic examined thirty-four cases.

Since our last annual meeting the County Hospital East St. John has been opened and we have sent thirty-nine patients there whose presence in the homes was a menace to those about them. The hospital is full, fifty-seven cases being under treatment and 106 cases have been treated since the hospital was opened, and there have been eighteen deaths. These figures speak for themselves and show the great need there was for such an institution.

Dr. Melvin, in his health statistics, reports the number of deaths from tuberculosis this year as considerably less than last, and a study of the death rate for the last ten years, shows a slow but steady decrease.

FURNITURE as Christmas Gifts

This winter weather sends our thoughts ahead to the holiday season, and the old question arises: "What shall I give for Christmas? The common-sense answer is Furniture!

There never was a time in the history of Canada, when wastefulness was in such disfavor as at present, and the natural tendency at the Christmas season will be to make gifts of a practical nature.

For members of your household and your intimate friends, there are sure to be articles of Furniture which will make acceptable gifts and serve as lasting mementos for years to come, while, if you wish to remember your less fortunate neighbors, you will easily find something, usually classed as a necessity, which they lack and which will be received with joy at the season of Good Will.

Our large stock contains every conceivable article to meet every requirement, and you will do well to look it over early.
