A very interesting business meeting of the Every Day Club was held last evening with a large attendance. It was decided to enlarge the platform to make stage room for dramatic performances which the members intend to present during the winter.

A vote of thanks was passed to F. Clayton for the gift of a very fine sippable table and outfit. A strong committee was appointed to arrange for an excursion on evening once a week during the winter. Some strong new blood has been introduced into the club since it was made a total abstinence organization and the members are entering into the winter work with zest.

REV. DR. MCINTYRE GETS WORD OF CYCLONE IN HINDOOSTAN DISTRICT.

The news of extensive destruction wrought by a cyclone has been received from the missionaries in Hindoostan by Dr. W. E. McIntyre, secretary of the Baptist Foreign Mission Board. The cyclone occurred on September 23 and swept the eastern coast for 200 miles from a point about eighty miles north of Sompet. Considerable damage was done to property and some lives were lost.

The missions at Chitacole escaped with comparatively little damage as the missionaries had profited by their experience six years ago when another cyclone destroyed their buildings.

Daring Robbery During Last Night in the Home of John Carrier in Carleton

One of the most daring robberies that has been reported to the West Side police for some time, was perpetrated in the home of John Carrier in Watson street, Carleton, when a thief entered his home and got away with \$50 in cash. Both Mr. Carrier and his wife were asleep at the time and were not awakened by the intruder.

Mr. Carrier retired early last evening and before going to bed put \$50 in his trousers pocket, intending to pay a bill on the East Side this morning. When he awoke this morning his trousers were lying on the floor and the money was gone. He made an investigation and found that during the night someone had effected an entrance by prying open a window on the ground floor and sneaking up stairs to the room where he slept.

The burglar, it is believed, must have been well acquainted with the house, for the interior was dark at the time. He must have made no noise whatever. The West Side police were notified this morning and are working on the case. Mr. Carrier is employed at the box factory in South Bay.

Geo. Wright Pursues and Says Abram Fredericks in the Man—Latter Denies and Case is Being Tried

Abraham Fredericks, a West India negro, was before the court charged with assaulting George Wright in Waterloo street on Saturday night last. The assault charge was practically only a technical one. Wright swore that for several weeks someone had been trying to break into his house at 64 Waterloo street and that he had been unable to capture the intruder. On Saturday night last between eleven and twelve o'clock he heard a noise at his bedroom window, sprang up and saw a man outside. He put on his clothes and went out. He followed the man to the corner of Richmond street and attempted to take hold of him, but he says, the man swung a whiskey bottle at him, and he was unable to follow.

Alfred Hogan corroborated this evidence. James Gibbs told of seeing Wright trying to take hold of the man in question, and identified Fredericks as the man. The prisoner took the stand and swore that he was in his home in Frederick street at 10.30 o'clock on Saturday night and was not in Waterloo street later. His wife also swore to this.

S. W. Palmer for the prisoner, asked for dismissal, but the court decided to go further into the case and Fredericks was remanded until 10 o'clock tomorrow morning.

Alexander McDermott, reported for having in his possession a dog which bit a little girl named Spragg, was ordered to have the dog destroyed.

Michael Kelly, John Davis, Charles McAnulty and Thomas Shannon were each fined \$8 or two months in jail on the charge of drunkenness. Shannon will also have to pay a \$12 fine which has been standing against him. Daniel Cronin was fined \$8 or thirty days in jail on a like charge.

FIRST WINTER LINER TO SAIL SATURDAY

Athenia Due Here on Nov. 20—Donaldsons add New Year's Passenger Steamer

There will be another passenger boat added to the Donaldson line holiday season. It has been decided to have the Cassandra leave St. John on December 21 to accommodate the New Year's rush. To do this it has been necessary to make a change in the freight schedule, the Cassandra taking the place of a freight boat, the Indrani, that was to have sailed on that date.

This will make three Donaldson passenger steamers sailing from here for Christmas and New Year—the Athenia on December 2 and the Saturnia on December 9, for the Christmas holidays, and the Cassandra for New Year's.

The first steamer of the winterport season, the Athenia, will leave Glasgow for St. John on Saturday next and she is scheduled to arrive on the 24th.
