DR. LAMBERT ON SELF-PRESERVATION.
Price, with Engravings and Cases, 25 cents; by post thirty cents.
SELF-PRESERVATION, a popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of Manhood, destroy the happiness of Married Life, or prevent the fulfillment of engagement that constitute the most cherished objects of existence.
By Dr. LAMBERT, 37 Bedford square, London, Licentiate of the Royal College of Physicians of Edinburgh;
Member of the Royal College of Surgeons, England, &c.
The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigor upon which the hopes of a long and happy life depend. It also points out how all the attributes of Manhood can be preserved to advance period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions, and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.
The Author is the only legally qualified practitioner whose name stands on the Medical Register (the sole test of medical qualification), who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system which, owing to the great discoveries of modern science, are rendered subservient to a more simple, and easy mode of treatment.
At home for consultation daily from ten till two, and from six till eight, either personally or by letter.—37 Bedford Square, London, England.
Patients residing in the colonies can be successfully treated by correspondence, and remedies can be forwarded in secrecy and safety to any address.
"SELF-PRESERVATION" may be had of the undermentioned Agents' price 25 cents, free by post, 30 cents:—
