

11 Sep 45

Dear *Colonel*

You will recall that some time ago you passed to the writer some information regarding optical sights designed by H.V. Optische Industrie.

Word has now been received from the Department of National Defence in Ottawa regarding these equipments and statement is given as shown on the attached.

I believe that you may wish to pass this information to the H.V. Optische Industrie.

Best regards,

Yours sincerely,

Robert Lee
