3rd inst. we said:—
"We intimated last week that the division on the stumpage resolutions gave the government week may be presented, for it appears they been presented, for it appears they been presented, for it appears they would have on any test vote of the session and we said, also, that the Opposition is on and we said, also, that the Opposition would nave on any test vote of the session and we said, also, that the Opposition is on and we said, also, that the Opposition is following a line of siton and we said, also, that the Opposition is following a line of siton and we said, also, that the Opposition is following a line of siton and we said, also, that the Opposition is following a line of siton and we said, also, that the Opposition is following a line of siton and we said, also, that the Opposition is following a line of siton and we said, also, that the Opposition is following a line of siton and we said, also, that the opposition is following a line of siton and we said, also, that the opposition is following a line of siton and we said, also, that the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following a line of some through the opposition is following through the opposition is following through the opposition is following thr "We intimated last week that the division on the stumpage resolutions gave the government the smallest majority it would have on any test vote of the session and we said, also, that the Opposition would not venture to divide the House on the motion to go into supply lest the increasing majority of the government would be thereby demonstrated. Eight was the government's majority on the stumpage resolution. It is now they have and it will be fourteen before the session closes. This is quite a different showing from the wonderful things of which our amateur politicians assured their friends a month ago."

ment in a worse light than has yet been presented, for it appears they knew that fraud was charged in the knew that fraud was charged in the matter of the Northwest limit asked for, and yet they granted the limit to Rykert's friends. The Globe explains the matter in this way: Mr. Dalton Mc-Carthy was endeavoring to secure certain limits in the name of Mr. Luidlaw a tory lawyer, and in the course of his application in the department encountered Mr. Rykert, who was likewise seeking to procure limits in the name of John Adams. These two gentlemen, a month ago."

The Government sells it for §2 a bushel and prepays the freight to the point of destination. Already applications have been received for nearly 2,000 bags of 112 lbs. each, and farmers should write to Prof. Saunders at once if they want any.

AGAINST FORKIGN LABOR.

Mr. Taylor's bill against foreign labor was before the special committee.

Some of the evidence offered, went to show that Canadians on the frontier employed just over the line, were forced to leave Canada, and go to the Hon. Mr. Blair said he knew that a test of the strength of the respector or other persons, carried on a struggle ive sides. The government's ma- in the Department of the Interior, jority was twelve, Mr. Melanson both endeavoring to secure the same voting on that side, while it is quite limits. On the 2nd August, 1882, Mr. well understood that two absentees, McCarthy telegraphed the department who before voted with the opposition, would have voted with the government, had they been in and on 31st August the Deputy Minister wrote to Sir John Macdonald telling their places. The Advance's readers him that Messrs. McCarthy and Rykert By ordinary letter, containing Mower Oaper issued by all Express Companies, New York Exknow that it is right every time in had appeared before him and had appeared by all Express Companies, New York Exknow that it is right every time in had appeared before him and had appeared upon a scheme for the division these matters for, unlike the Ad- agreed upon a scheme for the division vocate it depends on the observation of of the limits that they were both after. its own staff for political information The letter shows that the scheme so and, therefore, cannot be misled by arranged was to the advantage of their either designing or incompetent vantage of the country. That Mr. friends" such as those who so willngly assist our shiretown contem-Rykert to the Deputy Minister, Mr. Rykert, writing to the Deputy on the 5th of September declared Mr. Mc-Carthy as satisfied, and stated; There is no harm in stating that

Mr. Rykert then telegraphed the

(By our regular Correspondent) OTTAWA, April 7.-The Parliamenis for this reason that the fyling of an electron petition—save as a recourse to the lex talionis—places those who are parties to it in about the same category, amongst "regularly ordained" political campaigners, and, indeed, in the estimation of the electorate, as informers and spies are amongst mankind generally. That this is a correct view of the mattern whether good or bad—that which are almost inverted by the experience of successful petitioners under the law, who are almost inverted and interpreted and embarrass him. The great Blake looked up wrathfully and shouted "Order" Then the same category, amongst "regularly ordained" political campaigners, and, indeed, in the estimation of the electorate, as informers and spies are amongst mankind generally. That this is a correct view of the mattern whether good or bad—that is provided the attempt. He talked him script position to the subject of the Sun's malevolent or tricism. It is this practice of opposing everything done by its opsing everything done by the experience of successful petitioners and spies are important to the mortification of the subject of the Sun's malevolent of the Sun's malevolent of the Sun's malevolent of the Sun's malevolent of the same category, amongst "regularly ordained" political campaigners, and shouted "Order" Then the same category, amongst experience of the same category, amongst "regularly ordained" political campaigners, and shouted "Order" Then the same category, amongst "regularly to make it appears that there was something wrong in his left the could not be bound until the matter was decided at the council. The mattern of the same category, amongst "regularly to make it appears that there was something wrong in his left the could not be all and the transportant of the same category, amongst "regularly to make all amended to subdition matters were concernate the could not be bound until the matter was decided at the council. The belilion and the could not be owned whether are the could not be owned. Mr. Labilion countil the The Grand Trunk Railroad want a

route to the sea board, and a deputation has been in the capital for two weeks urging the Government to grant a subsidy for their proposed short line. They have submitted new plans of the oute showing a saving of 35 miles ompored with the distances given by any line on previous surveys. They people instead of a monopoly being propose by building a loop-line from St. Hyacinthe to Arthabaskaville to save 20 miles, and by constructing a line from Kamouraska to a point on the Temiscouata to save another 15 abandon the policy of leasing their miles, compared with the present rivers, lakes and streams. He had route. The promoters have submitted to the Government a comparison of distances between the Canada Pacific ing fishing rights in Charlotte county. Railway Short Line and the Grand Trunk Short Line, as proposed. The total distance, according to this statement, from Montreal to Halifax by the salmon were destroyed by sawdust mens, from Montreal to Halifax by the C. P. R. is 729 miles. The total distance from Montreal to Halifax by the proposed G. T. R. short line is 731 miles, only two miles longer than the C. P. R. line, which is more than compensated for by the fact that the G. T. R. line will run entirely through fishing privileges. In the case referred long and were destroyed by sawdust being allowed to be thrown in the better tell us all about the Leary telegram." Mr. Hanington, continuing, said the people of St. John didn't tumble to the Leary telegram. He would like to know what about the Leary telegram anyway?

Hon Mr. Mitchell denied that he or the government had favored friends of his in Charlotte county in reference to fishing privileges. In the case referred hon, member mean? G. T. claimed the grant should be discussion Hon. Mr. McLellan had the must not think they were all bables. How often had Sir Charles Tupper and the Hon. Mr. McLellan had the must not think they were all bables. Sections described may be directed to one returning officer or to a separate returning officer or to a separate returning officer for each district; sections 7 and 9 of this act shall go into operation and take effect at the first election which shall take place after the passing hereof for the die, Leblance, Poirier, Russell, Theriault,

ing to the registration and qualification of ing to the registration and qualification of dental surgeons, Hibbard in the Chair. Mr. Phinney explained the bill at con-siderable length and spoke of the impor-tance of the proposed legislation. Mr. Hanington was in favor of tha principle of the bill, but strongly opposed to sub-section 2 of section 23. The pas-age of such a section has said would inter-

sub-section 2 and insert: That he was practising dentistry in this province be-ore the first day of January, 1889, and has since that time continued regularly to practise as a dentist or dental surgeon

Dr. Alward said it afforded him much Mr. Hanngton said the St. John mendments, members had a right to speak for any part of the province.

Mr. Hanngton said the St. John mendments, presented to have been made after the part of the province.

Mr. Hanngton said the St. John mendments, presented to have been made after the part of the province.

dental men.
Mr. Hanington's amendment was carried, Mr. Hetherington speaking strongly in its favor, and the section was further amended as follows: strike out all after and any person objecting to the decision of the council may appeal to the governo of the council may appeal to the governor in council. The governor in council is hereby empowered to affirm, alter or, in any way, reverse the decision of the council, and the council shall forthwith give effect to such decision on appeal.

Section 42 was struck out altogether, and other amendments were made of less importance.

Hon, Mr. Blair Impeached !

Yesterday afternoon Dr. Atkinson made a lengthy statement after which he recited all his charges in the following notice of

charges should become known to them.

The resolution was lost, the vote being:—

Yeas—Hanington, Stockton, Turner, Phinney, Alward, Athinson, Lewis, Stevens, Powell, Rourke, Smith, Frof. Saunders, Director of the Dorson and I am told that out in Core meeting in the afternoon and I am told that out in Cork he can sing meeting in the attorney general being a member of a fishing club. He would have been been under investigation at Ottawa—and they reveal the government whose tase has been under investigation at Ottawa—and they reveal the government whose the total purposition cannot rise in his propers and and selection and the summary of the two promoted and pright-colored. It was purchased from John Mr. Powell said he could see nothing wrong in the attorney general being a member of a fishing club. He would member of a fishing club. Leavy, a contract for the government. Of the two-rowed barley (Carter's prolific) imported for distribution by the Government. Of the total purposes on the St. John river had been teased and will be distributed at once. The Bykert Case.

The Bykert Case.

The Toronto Globe publishes another batch of papers in the case of Rykert—the tory member of Parlisment whose case has been under investigation at the two proposed and the contraction of docks and harbor imports and other persons netested in the making wrong in the attorney general being a member of a fishing club. He would member of a fishing club. Leavy, a contract for the constraint of the two-rowed barley (Carter's prolific) imported for distribution by t
