OTTAWA, Sep. 22.—The Minister of Custom has received a telegram stating that J. A. R. Homer, M. P. for New Westminster, British Western accommodation train from Doaktown. Conductor Yerxa in charge, which reached Gibson at five o'clock, brought word, this after-Columbia, had died suddenly. noon of a nihilistic outrage at that place.

[The deceased, who was born at Barrington, Nova Scotia, August, 1827, was of loyalist descent, his grandfather, Joseph Homer, collector of customs at that port, being one of the U. E. Loyalists, Mr. Homer removed to British Columbia in 1858 and was elected to the first legislature of that province in 1868. Doaktown, which structure has been for some British Columbia in 1858 and was elected to the first legislature of that province in 1863 and again in 1864. He was first returned to the Dominion commons for New Westminster in March, 1882, on the appointment of the sitting member, Dr. T. R. McInnes, to the senate, and was re-elected at the last general election. He married, in 1860, Sophie, eldest daughter of the late George Wilson of Barrington. Mr. Homer was a liberal conservative.]

Doaltown, which structure has been for some weeks in process of erection, were blown up or badly shattered wi h dynamite. The person who committed the set thoroughly understood the use of dynamite, having inserted the cartridge in a hole which he had bored in the wood. No particulars have been received here, but it is reported that certain parties who have worked on the road are suspected. Mr. Hoben believes that the completion of the bridge will not be materially delayed and that the last spike will be driven by the rail layers about Oct, 3th. The scheme for the construction of a driving The scheme for the construction of a driving park on Senator Odell's estate is meeting with success. Three-fourths of the stock is already taken, and Mayor Fenety, Ald. Sharkey and C. H. Lugrin have been appointed to put a bill of incorporation through the legislature.

A workman named Quinaby, in Mr. Gibson's mills, lost the fingers of his left hand today in a planing machine.

ernatorial holidays and spent them in the mother country.

The statement is incorrect that Senator Clemow and others interested in the Northwest Central railway made some arrangement with the minister of railways, by which in the event of their failure to secure means for building the road the cheques would be useless. The deposit of \$50 000 was made in the usual way, either by certified cheque or deposit recaipt.

The grits here are in a state of consternation over the Mail's new departure on the labor, temperance and immigration questions. They realize that they have lost good chances through the want of action of Blake the unready. A. S. Murray, manager of the Maritime ank, is confined to his residence by illness, not of a serious nature, however.

Quite a number of gentlemen go to Woodstock tomorrow to attend the races. They will leave in a special train for home at 7 p. m. George L. Holyoke, editor of the Woodstock Press, is among the guests at the Queea Hotel tonight.

eady.

Sir John is expected to return tonight.

Sir Charles Tupper is expected here in the morning.

The Behring's sea fishery case has been be-

OTTAWA, Sep. 24.-Sir John, Sir Charles and Sir George Stephen went this evening to Sudbury junction, on the C. P. R., to examine the great copper find there, which Benanza weeks ago. At a post mortem examination today the liver was found to be ruptured, and the doctors now wonder how he lived so long. He leaves a widow, a small family and an Mackay says will close up all the copper mines of the world, so great is its extent and so good its quality.

stock of Goulding & Co., wholesale milliners, is next door, was damaged to the extent of \$5,000.

The board of trade today decided to purchase the American hotel property, corner of Front and Yonge streets, for \$5,000. for the purpose of erecting on the site thereof a commercial exchange to cost \$300,000.

OTTAWA, Sep. 27.—The full text of the letter addressed by his Royal Highness the Prince of Wales to the Lord Mayor of London in connection with the permanent Colonial and Indian Exhibition, which it is proposed to found as a memorial of the Queen's Jubilee, will be published tomorrow. It is understood the institution will be solicited from the Imperial and colonial governments, and also from the public in all parts of the empire, the funds to be vested in a board of trustees appointed by the sovereign and the institution to be under the permanent presidency of the heir apparent to the throne. The site will be the same as at present occupied by the Colonial and Indian Exhibition—a site rendered sacred to the Queen from its intimate association with the labors of the Prince Consort.

The Workingmen's Conservative Association proposes a grand political meeting to come off shortly at the capital. It is expected that Sir John will deliver the special address to the workingmen of Cansda he promised in his London speech, and also that details of the proposed bureau of labor statisties will be given.

Sir Charles Tupper returned this morning from Soldhyny Luccion. the crew might ibe examined in the United States.

This morning a man on Liverpool wharf noticed the body of a man in the water. With assistance it was taken out and proved to be that of John McDonald, foreman of the Herald press room. He left home about 2 a. m., as usual, and it is supposed walked overboard. He had been in depressed spirits for sometime on account of the illness of his favorite sister. He had been employed on the Herald since it started. An inquest was held and the verdict was found drowned.

HALLEAN Sec. 26.—The hark Olinda from HALIPAX, Sep. 26.—The bark Olinda, from Pernambuce, bound to Sydney in ballast, ran ashore at Sable Island on Saturday, Sep. 18, and became a total wreck. The crew were all saved but had a narrow escape. The vessel belonged to Dudear of St. Johns, Nfid, and was uninsured. The crew now here, leave by the

IRISH AFFAIRS.

Belfast, Sep. 21.—Desultory rioting, accompanied by firing, continued throughout the city all the night. Policemen were severely wounded and a number of citizens injured. How many of the latter were hurt is not officially known, because the friends of many of them carried them away before the authorities could secure them for hospital treatment.

thorities could secure them for hospital treatment.

The mayor hastily summoned a meeting of the magistrates last night, and a long discussion was held as to the measures to be adopted to prevent further disorder.

BRIFAST, 3 p. m.—Rioting was resumed at dinner time at the junction of Northumberland street and Falls road, by Catholic mill hands, who stoned the police on duty to keep the Orange Queen's island shipyard men from coming in contact with the mill hands. The police had to retreat as far as Shank hill, where they were reinforced. Then they drove the

help.'
Beleast, Sep. 26.—Soon after midnight
this morning a crowd assembled and stoned

the police in Shankhill district. The police were reinferced, and soon dispersed the mob. The attack upon the police was subsequently renewed and the ricters were fired upon. A young man named David Moore was fatally shot. Twelve constables were severely wounded with stones. Many arrests were made.

MISCELLANEOUS.

CANADIAN. WINEIPIG, Sep. 17.—Dennis Ryan and other American capitalists have purchased a controlling interest in the Cascade coal mines, which are to be developed on a large scale. One hundred men will at once be employed.

John White, M. P., passed through the city on route for the west.

tions in the woods this season will be considerably curtailed as compared with last year.

MONTREAL, Sep. 27.—At St. Patrick's church yesterday, Father Dowd explained a portion of the recent letter issued by the council of Catholic bishops of the province of Queber. concerning secret societies, and said that all Catholics belonging to certain of the societies were liable to excommunication *pso facto*. He said there were two kinds of secret societies; oath bound, and those which had mere honor pledges of secrecy. He was opposed to both, and warned the congregation against membership in them.

courts of that portion of frontier which still remains unmarked.

Gentlemen of the House of Commons: I thank you for the supplies you have voted for the requirements of the public service.

My Lords and Gentlemen: I have directed the issue of a commission to inquire into the circumstances which appear to have prevented the anticipated operation of recent acts dealing with the tenure and purchase of land in Ireland.

I have observed with much satisfaction the states which, in increasing degree, is evinced by people of this country in the welfare of their colonial and Indian fellow subjects, and I am led to the conviction that there is on all sides a growing desire to draw closer in every practicable way the bonds which unite the various portions of my empire.

I have authorised communications to be entered into with the principal colonial governments with the view to a fuller consideration of the master of common interests.

IRISH AFFAIRS.

the benefits of this condition of affairs. Wool is advancing rapidly and old stocks are nearly sold out. Merchants are making larger puring reports come from all the mercantile centres of the country, and are not confined to many one locality. Good times are predicted in Wall street. The dry goods trade is greatly improved and business is belsk, also iron and coal trades. There is a good demand for cotton. New crops promise to be fair.

Justin McCarthy.

HIS VERY HEARTY RECEPTION IN NEW YORK.
NEW YORK, Sep. 25.—Justin McCarthy, the famous Irlah author and historiah, reached this city this afternoon from London on the steamer Brittanic. Preparations had been made by his American friends to give him a hearty reception and welcome, and the Brittanic was therefore met down the bay by one of the revenue cutters having on board the reception committee and many of the historiah's friends.

In an interview Mr. McCarthy said: "If eviction is pressed in Ireland I think there might be individual disturbance here and there would be an organized political trouble because Irish people understand the more of less damaged. He predicted that New Jonks, and the disturbance and Mobile would be runed, and the defeat of the Gladstone and Farnell had for each other and as defeat of the Gladstone and Farnell had for each cher and said Parnell shad for each of the desired property would be something terrible at Jackson, The shaded with the defeat of the Gladstone and Farnell had for each other and said Parnell shaded with William people, he added, felt persons of the admiration which Gladstone and Farnell had for each other and said Parnell had for each cher and said Parnell had for each che stone measure and seemed disposed to call it a victory rather than defeat. Mr. McCarthy spoke of the admiration which Gladstone and Parnell had for each other and said Parnell believed implicitly in Gladstone's power to give the Irish people what they sought if he

The Odd Fellows. THE CLOSING SESSION OF THE SOVEREIGN GRAND

Boston, Sep. 25.—The session today opene at nine o'clock. A resolution that the Soveriegh Grand Lodge will not be responsible for any debts or contracts of patriarchs unless authorized by the Sovereigh Grand Lodge, was laid on the table. The Grand Lodge accepted the offer of the order in Columbus, Ohio, to furnish suitable quarters for a permanent control to attend to all the details of the removal from Baltimore. It was voted that all proof sheets of the revised ritual of the Daughters of Rebekah be submitted to a committee previous to publication. Resolutions of thanks to the rail. The following legislation was adopted: In lieu of other regalia members of the grand lodges may wear scarlet ribbon. The mother of an Odd Fellow, a widow and unmarted stepdaughter were made eligible to mother of an Odd Fellow, a widow and unmarted stepdaughter were made eligible to attend of standing must accompany petitions for membership in an encampment. The encampment of British Columpla past and to come are transferred to the grand encampment in Washington Territory. The installation of newly elected officers followed, and after prayer by the chaplain the session of 1886 was closed.
