BOARDING &c

The Institution, as a home, is designed to be the abode of comfort and pleasant associations.

Rooms are carpeted and furnished throughout, so that the pupil requires nothing in addition.

The provision for the table is wholesome and abundant.

GOVERNMENT

It is intended that the government of the Institution shall be firm without being arbitrary; that it shall be founded upon confidence in the pupils, and its tendency shall be to teach them self-control, obedience to principles, and a conscientious regard for the right.

No young lady will be allowed to retain her connection with the School whose example tends to encourage indolence or insubordination, or whose influence is in other respects injurious.

PRINCIPLES.

Truthfulness in opposition to pretence in anything, patriotism, love of home, devotion to parents, simplicity, inartificiality, avoidance of heartlessness and display.

PHYSICAL DEVELOPEMENT.

The laws of hygiene are insisted upon in respect to dress and exercise.

Every Student is required to bring a loose dress to be worn during the exercise in the Gymnasium.

DRESS. &c.

Every young lady must be provided with umbrella and overshoes. School-room dresses should be simple and inexpensive, with high necks and long sleeves.

Very little jewelry and spending money should be at their disposal. Carelessness and the possibility of dishonesty in servants, &c., make it proper that all funds should be deposited with the officer appointed for that purpose.

SESSION HOURS.

Morning Session for study, one hour, from six to seven o'clock.

For recitation and study, from nine to twelve, A. M., with a recess, and from two to four, P. M. Evening study from seven to nine.

It is understood to be necessary that Day Students should spend at least two hours in study at home. Parents may be assured that something is wrong unless this is done.

Punctuality in the attendance of Day Students is of the utmost consequence. Tardiness results not only in loss to themselves but is injurious to classes, and tends to general disorder.
