When the heart becomes weak, and the nerves unstrung, it is impossible for a woman to look after her household or social duties. The least little exertion or excitement leaves her in an exhausted condition, and not fit to do anything.

On the first sign of any weakness of the heart or nerves, you will be wise if you start to take Milburn's Heart and Nerve Pills.

This remedy will act directly on the weakened heart making it beat strong and regular, and will also invigorate and strengthen the nerves so as to make them steady and firm.

Mrs. J. A. Williams, Tillamook, Ont., writes: "I cannot speak too highly of Milburn's Heart and Nerve Pills. I suffered greatly with my nerves. I was weak and run down, I could not stand the least excitement of any kind. I believe your Heart and Nerve Pills to be a valuable remedy for all sufferers from nervous trouble."

Milburn's Heart and Nerve Pills are the original remedy for all heart and nerve troubles. Price 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

## LOGGIEVILLE

Loggieville, May 9.—Sincere sympathy is extended to Mr. and Mrs. Wm. S. Mathews, who are mourning the loss of the youngest of their family circle, Doris Eleanor, whose death occurred recently. The little one was about one year old, and had been sick less than a week. Death was due to pneumonia. The funeral was held on Tuesday, interment in the "Pine Grove" cemetery.

Mrs. W. B. Robinson held a very successful tea one afternoon recently in the interest of the Red Cross fund. The spacious and commodious manse was thrown open to the public, and many of the townfolk availed themselves of the opportunity of enjoying the cup that cheers amid such comfortable surroundings. The affair also yielded good returns.

Miss E. Robinson, who has been a guest at the home of her brother here, has returned to her home in Sydney.

The "Chain" tea hostesses this week were Mrs. Ellis and Mrs. Ross.

The Women's Missionary Society of Knox Church had the good fortune to have at their Thanksgiving on Wednesday evening of this week, Dr. Kate McMillan of Korea, and heard from her a splendid missionary address. The speaker made an impression by her clear analysis of the missionary situation. She strongly appealed for greater and larger support, particularly in the medical work, which branch she was especially interested in. She spoke of the new hospital under her direction. Her fifteen years in the foreign field have meant years of long experience in pioneer medical work, among a class of persons to whom medical science is unknown. She spoke pathetically of the scene of crowds daily flocking to her for treatment in the hospital, and regretted her inability to do anything for them, because of the equipment of the building they could only take in those whom they had some hope of curing. Dr. McMillan is now being assisted there by native doctors. She also had the assistance of a nurse from the homeland. Her address right through was interesting. During the meeting Mrs. F. A. Fowle of Black River, sang a solo. The offering amounted to \$41.00.

While in town Dr. McMillan was a guest of Mrs. Robert Loggie.

The monthly business meeting of the Soldiers' Comforts Association will be held this afternoon at 3 o'clock in the Centenary church parlors.

Mrs. Frank S. Small was a visitor to St. John on Monday.

Mr. and Mrs. Geo. H. McLeod have sold their valuable property, and pretty home at Lower Millstream, and will spend the summer months with their daughter, Mrs. Harold Mandigo and Mr. Mandigo, of Knowlton, Que.

Mr. and Mrs. McLeod and their son, William McLeod, have very many friends who sincerely regret their removal from the community, having been residents in that vicinity practically all their life. Their popularity was evidenced on the evening of the 29th April, when a number of their friends met at their home to spend a social evening, and incidentally presented them with a leather traveling bag, and their son with an ebony mounted clothes brush. The presentation was made by W. T. McKnight in a few well chosen remarks, which were responded to by the host in behalf of himself, and Mrs. McLeod, thanked the friends very kindly. Appropriate remarks were made by several of the guests, all voicing the sentiment of regret at the loss of such valued residents, which not only is a social loss, but a very great one to the Baptist church, of which they were devoted members, and liberal supporters.

The annual Mite Box opening of the Mission Band, took place in the Baptist church on Friday evening last, when contents of the boxes amounted to \$14.83. A very entertaining programme of readings, recitations and music was given by the "little tots" and a few older members. Miss Ethel Jones, organist of the band, presided at the organ. The efficient manner in which the children took their different parts in the programme, reflects much credit on the superintendent of the band, Mrs. S. Small, who so capably trained the youthful minds.
