

## TROOPS MOVING CAUTIOUSLY ON BUDAPEST

Allies Feel the Soviet Gov't Will be Overthrown by Counter Revolutionists and Much Blood Shedding Prevented.

Vienna, Tuesday, May 13.—(French Wireless Service.)—The Allied troops which are marching on Budapest will not make any hurried advance on the city, according to information reaching the Allied powers, because the Soviet government will be overthrown by the Hungarian counter-revolutionists, or else that the city will capitulate without fighting or bloodshed worth mentioning.

A decisive battle in the immediate vicinity of the city, the newspaper continues, would be likely to prove an extremely sanguinary one, as the soldiers of the red army, with no idea upon which to withdraw, and thus rendered desperate, would fight to the last to defend their lives. But if the Allied powers advance slowly, as they are doing now, the position of the Soviet government, it is argued, would become more and more perilous, as the counter-revolutionists are sure to find assistance in Budapest, and as the increasing lack of food would have an effect as adverse as the loss of a battle.

## MENNONITES BUCK THE SCHOOL LAW

Causing the Officials Considerable Annoyance at Work.

Winnipeg, Man., May 14.—Mennonites of the old school in the vicinity of Werkeles are resisting the school authorities and withholding their children from the public school, and a batch of nine were summoned before the Magistrate Mills on Monday. A fine of \$70 and costs was imposed on each of the offenders. Two of the number paid their fines, while the other seven declared they would prefer imprisonment to paying the fines.

During the hearing it developed that John Priesen, bishop of the colony, had advised his people to send their children to the public schools. Both the pastor and the teacher asked for an interpreter.

## ENGLISH SPEAKING LAY TEACHERS ON STRIKE IN OTTAWA

Forty Teachers in Roman Catholic Schools, True to Ultimatum Delivered, Quit Yesterday.

Ottawa, Ont., May 14.—A strike of the English-speaking lay teachers of the Roman Catholic schools of the city broke out at nine o'clock this morning, in accordance with the ultimatum delivered to the separate school board on Monday, signed by forty teachers, in which they demanded the immediate reinstatement of former Principal Kelley, of St. Patrick's school, and the promise of salary increases averaging \$200 per annum.

Forty-five teachers, in as many classes, in fourteen of the schools, have retired from the duties, seven of the schools are closed entirely, and twenty classes in the other seven are closed.

The strike temporarily deprives approximately 1,500 children of educational facilities. The pupils of Mr. Kelley have been on strike for several days over his suspension.

## WHAT BOLSHIEVISM MEANS TO THE UNTUTORED MIND

It's a System Under Which Every One Has Plenty of Money and One Needs to Work Only Two Hours a Day.

Paris, April 13.—(Correspondence of The Associated Press.)—Bolshevism, in the untutored mind of the Russian proletariat, is a system under which everybody has plenty of money and one needs to work only two or three hours a day, writes a special correspondent of L'Intransigeant from Russia. The money they needed, the moujiks were told, they would find in the factories, and all they would have to do would be to go and get it. Disappointment awaited them in most cases, for the great majority of the manufacturers were ruined, and the office cash boxes were generally empty. The next course was to seize the proprietor by the throat. "Where is our money?" they would demand. "The money that we've earned by our sweat and blood!"

One plant owner answered that he had no money, and offered to prove by his books that he had not even enough to keep body and soul together. The men tumbled through the books, but being ignorant of the Russian language, they could not understand the entries. Then somebody found an entry of two million rubles under "Mortgages." The Russian for which is "Amortization."

"What is this?" they demanded furiously. "Amortization must be the name of a woman. She has gotten our money. Who is she? Where is she?"

The unfortunate employer vainly attempted to explain. The mob gave him five minutes to "confess" after which he was shot against his factory wall.

## U. N. B. ALUMNAE SOCIETY MEETS

Fredericton, N. B., May 14.—The Alumnae Society of the University of New Brunswick held its annual meeting here tonight, assembling at the residence of Mrs. H. P. McLeod. The chief item of business was the election of representatives to the University Senate. Those elected to the positions were Miss Eliza B. Hunter, B. A., of Fredericton, and Miss Grace H. Fleming, B. A., of St. John. This is the first occasion on which women have taken places in the Senate. The Alumnae Society, by legislation, is entitled to two members, and henceforth will elect one each year.

Miss Alma McFarlane, of Fredericton, a former student of the University, who spent some time overseas on V. A. D. work, addressed the society on the work in which she had taken part. Miss McFarlane was elected to life membership in the society.

After the business of the meeting, all the lady students at the University were entertained at Mrs. McLeod's residence.

## WINNIPEG VETS GET AFTER THE LABOR UNIONS

Declares That the Allied Trades and Labor Council of Winnipeg Savored of Bolshevism.

Winnipeg, May 14.—Recently what were described as the pro-Bolshevik and pro-Spartan resolutions passed at the Trades and Labor Convention at Calgary, the army and navy veterans' association today unanimously went on record as being absolutely against Bolshevism in all its phases, declared that the Allied Trades and Labor Council in Winnipeg did not represent true democracy, and urged that all publications which advocated Bolshevism be suppressed immediately; that the printers and publishers be deported and that it be made a criminal offence to be in possession of such literature.

The position of many returned men who were unable to re-establish themselves in business because of financial embarrassments which had developed while they were fighting for their country was discussed, and a resolution was unanimously adopted demanding that the federal government grant money that would enable them to re-engage in business.

One speaker stated that ten thousand copies of the socialist bulletin containing a letter from Lenin, the Russian Bolshevik leader, had been published today by the Allied Trades and Labor Council of Winnipeg.

Referring to a comrade the speaker said trade unionism was all right, provided it was run by sane men. If the alien enemies and pedagogues were cleared out, labor could have all the trade unionism it wanted. "We want the enemy alien cleared out, but the labor council says it wants to protect it. We are out for a show-down. If the Trades and Labor Council backs up the alien enemy, then we won't back the Trades and Labor Council."

## INDIAN KILLS WIFE AND SELF

Ottawa, May 14.—Mrs. Alexandra Ojick was killed by her husband, Thomas Ojick, an Indian, at their home, 24 Lawrence street, Ottawa, about nine o'clock last night. Ojick afterwards blew his brains out with a shot gun. Ojick killed his wife by splitting her head open with an axe, after striking her with a chair.

The couple had frequently quarrelled, and labor could have all the trade unionism it wanted. "We want the enemy alien cleared out, but the labor council says it wants to protect it. We are out for a show-down. If the Trades and Labor Council backs up the alien enemy, then we won't back the Trades and Labor Council."
