## Strangler Lewis Defeated Stecher

California Wrestler Won  
World's Heavyweight Cham-  
pionship at New York.

New York, Dec. 13.—Ed "Strangler" Lewis, of San Jose, Calif., won the world's heavyweight wrestling championship here tonight by throwing Joe Stecher of Dodge, Neb., in one hour and 41 minutes, 54 seconds, with a head and hip lock.

The finish was a spectacular one. Stecher was worn down to a week's condition by eight successive headlocks in the last six minutes of the contest. He squirmed out of the first of these in 35 seconds, but as he arose to straighten up Lewis got another on a flying hold, which he maintained for 40 seconds.

Stecher squirmed out and obtained a body scissors grip, his favorite, but by sheer strength Lewis broke away and clamped on another head lock which lasted 40 seconds.

The next three were of short duration, but Stecher appeared weak and groggy as he got to his feet, and in another moment Lewis got a vice-like grip around his opponent's head. Stecher staggered to the ropes after freeing himself and Lewis got the final finishing head lock and as he closed his left over Stecher's head, turned him with a hip lock, threw him heavily to the mat and pinned his shoulders to the floor immediately.

## Basketball Game Should Be Fast

Trojans and Y.M.C.A. Seniors  
Promise Plenty of Action in  
Match Tomorrow Night.

Many basketball fans are looking forward to the best game of the season when the Trojans and the Y. M. C. A. Seniors stack up against each other in the City Basketball League game at the Y. M. C. A. tomorrow evening. The teams are the most evenly matched of any in the league.

In addition to the Seniors game the High School will play the Crusaders in the Intermediate division, and the German street Baptist Girls will play the Girls of the Y. M. C. A. These two teams are close rivals in the girls' league, and many are expected to give an interesting account of themselves. There will be no boxing bouts between games, owing to the heavy basketball and social features of the evening.

Following the game the Seniors and Intermediates of the Y. M. C. A. and the members of the teams will enjoy a social time with games and refreshments. Refreshments will be served by the Young Ladies' League of the Y. M. C. A.

## Are Enthusiastic Over Agreement

Baseball Leaders Are Satisfied  
—Matters of Importance  
Will Take Place Today.

New York, Dec. 13.—Baseball leaders today were enthusiastic over the agreement reached here yesterday by representatives of the major and minor leagues, changing the constitution of baseball. The proposals agreed upon at a meeting marked by harmony must be accepted by thirty sessions of the leagues involved before they become the law governing the sport. This belief prevailed generally that the decision is merely a matter of form.

The National League probably will act upon the agreement at its annual meeting here tomorrow. The American League will pass judgment in Chicago on Friday. The National Association of minor leagues will hold a special meeting in Chicago on January 10, to take action.

The draft question is the only important clause upon which there is not unanimous opinion. The smaller organizations may advise as they wish at their Chicago session.

Rev. R. Taylor McKim was the speaker of the evening, and emphasized the necessity on the part of the Mentor to lead the boys to take Christ as their personal Saviour. At the close of the address, a questionnaire was handed around among those present, and problems of boys' work were discussed. This work is receiving excellent support and those who have it at heart are greatly encouraged.

## Bisley Programme For Next Year

Will be Framed by Joint Com-  
mittee—Canada, Australia  
and South Africa Take Part

London, Dec. 13.—With a view to securing greater popularity for the National Rifle Association a special committee has met representatives of the regular and territorial armies, the navy, marine and air forces. It is proposed that next year's Bisley programme shall be framed by a joint committee representing the Rifle Association and all its branches of the service above named with three representatives from Canada, Australia and South Africa. It is claimed that this will bring all branches of the Imperial forces and overseas dominions into closer touch and give them a greater controlling interest in the Bisley meeting than hitherto.

Apart from this it must be remembered that the National Rifle Association has got into low water financially. A special appeal was issued some time back and is believed to have met with only a small response.

**Conference of  
Baseball Officials**

Reports of An Offer by Giants  
of \$150,000 and Catcher  
for Pick of Cincinnati.

New York, Dec. 13.—Conferences between officials of the New York and Cincinnati National Baseball Clubs have led to persistent reports of an offer by the Giants of \$150,000 and a catcher for the "pick of the Red team," a price surpassing that paid for "Babe" Ruth.

No agreement was reached at the conference, it was said. Roush, of Groh, both former Giants, were among the "picks" said to have been mentioned.

## Potato Yield Has Increased

An increased potato yield for the whole of Canada is reported by the Dominion Bureau of Statistics. The harvest for the whole of the Dominion is represented by 138,527,000 bushels from 784,544 acres, as compared with 135,874,000 bushels from 815,707 acres in 1919. The average yield per acre for 1920 is 176½ bushels, compared with 153½ bushels last year and 146 bushels the decennial average for the period 1910-1919.

The yield throughout the Maritime Provinces is way above the decennial average. In the Western Provinces, Alberta is the only province above the decennial average. Manitoba is reported with a very poor yield the average yield being only 91 bushels per acre against 126 last year.

The total value of 1920 is estimated at \$134,893,000 as compared with \$118,894,200 in 1919. The price per bushel ranging from 65 cents in P. E. I. to \$1.39 in Manitoba.

## Athletics And Physical Training

A. S. Bowie, Physical Direc-  
tor, Talks Interestingly on  
Decided Boom This Season

The Standard has recently received an interesting article from A. S. Bowie, physical director of the local Y. M. C. A. Speaking of the boom in athletics and physical training, Mr. Bowie says:

"At the present time there is without doubt, a decided boom in athletics and physical training. From all physical training organizations and directors come reports of unprecedented interest and class attendance. In the St. John Y. M. C. A. an average attendance of eighty is reported from one boys' class. This increase in attendance (which is 100 per cent. in some classes) is not confined to the boys' department. It works right through the intermediates and seniors to the Business Men.

A happy augury for the continued success of the expansion is the natural and willing flow of new men and interest. There has been no spasmodic effort and membership drives. The present boom just had to come. Looking back on the feverish days of recruiting during the war when hundreds of our apparently best young men were rejected for the army, we can find a probable reason for the present day rush to our gymnasium. It took the war to disclose the untoldness of our young manhood. Our modern ways of life, the hustle and bustle of industry, the wear and tear on our workers, the rush of the cities, crowded housing conditions, all these contributed to the setback in the physique of our young men.

That the general public are awakening to the value of physical fitness is becoming more and more apparent. A local physical director's report shows a big proportion of the Senior membership are returned men. Men who, during the war, were called up to stand up under the strain. Quite a number of physically handicapped men and boys are enrolled in the Gym. Classes of the "Y"—men who are prevented by the effects of wounds and poison gas from taking the full benefit of the physical privileges of the Gym, but who came for the exercises suitable to their needs. In the Y. M. C. A. Gym, it has been found necessary to start a special class for handicapped boys.

Wrestling and Boxing Classes report crowded attendances and insufficient equipment to cope with their needs. From Upper Canada comes the news that boxing is compulsory in the colleges. In Czechoslovakia we hear of massed drill exhibitions, as many as six thousand persons taking part. The Boy Scout movement with its attendant physical requirements, the Canadian Standard Efficiency Training scheme, Cadet Training—all these contribute to the steady march of progress in physical efficiency and has now assumed the proportions of athletic boom.

## Hudson Bay Dog Derby

Fourth Event Will be Over  
200 Mile Course for \$2,500  
Purse.

The Pas, Dec. 13.—The fourth Hudson Bay Dog Derby, which will be run over a course from here to Ft. Pelly, a distance of 200 miles, for a purse of \$2,500, is already attracting a great deal of attention among the lovers of the game here and to date the entries number ten, including two from Alberta. The two from Alaska are Goyne, who won last year's Derby, and Seppala. Other well-known "mushers" who have announced it as their intention to face the start on March 1 are: G. R. Bancroft, The Pas, one of the founders of the Derby; Larry McKay and Sam Proulx, of Grand Rapids; Jack Hayes, of Sturgeon Landing; Batesee Campbell, C. B. Morgan, Jack Bacon, of The Pas, and Steve Yorkman, of Winnipeg, whose entry was received first this year.

It is practically certain that many of the teams will use the Alaska harness and sled. Derby officials think a good deal of credit belongs to Goyne for coming here last year and introducing the Alaskan style of racing. They believe it has given a great impetus to dog breeding and caused increased interest throughout The Pas district.
