The Best Quality at a Reasonable Price. The Glasses Age

The proper time for a person to begin wearing classes is just as soon as using them will be beneficial to the eyes.

It may be in childhood, in routh, in middle life. Only an examination of the eyes by a competent optometriat can determine that time. Whatever it is, wearing classes as soon as needed assures good sight.

en you come to Sharpe's the examination we do prescribe glasses unless should have them for own best interests. you are.

OBITUARY.

William James Spence Thompson, a veteran O.P.R. engineer, passed away at ten minutes after seven o'clock yesterday morning at his resitlence, 105 Queen street, West St. John. He was born in West St. John seventy years ago, and for nearly forty years piloted the Boston train out of St. John. About three years ago he was stricken with paralysis and since that time had been in failing health. He is survived by his wife, two sone-Robert and William, both of West St. John; three deughters—Mrs. R. E. Peer and Mrs. Lessite Shaw, both of West St. John, and Miss Mabel at home; one sister, Mrs. Charles Amos, and one brother, Samuel Thompson, both of West St. John.

The funeral will take place of Sala day afternoon at 2.30 o'clock from his late residence.

Friends will regret to hear of the death of J. W. Correll.

Friends will regret to hear of the death of J. W. Correll, formerly in the dry goods business in West St. John, which took place in the city yesterday. Hy was never married, and has no relatives surviving him. The funeral took place in the afternoon from Brenan's mortuary chambers and service was conducted by Rev. W. H. Sampson, rector of St. George's church, West St. John.

ESCAPED BURGLAR GLAD TO GET BACK

Spent Six Days Freezing Made No Resistance When Caught.

Plymouth, Mass., Dec. 30.—Chas. Jones, of Middleboro, a negro who escaped from the county jail here a week ago was returned to his cell today shaking with the cold of six days' day shaking with the cold of six days partial exposure. Sleeping during the daytime and crawling out at night to obtain food he had managed to keep under cover until apprehended at Sandwich. Jones was in his shirt sleeves, he wore a pair of the trousers and over his shoulders were a piece of bed ticking and a curtain remnant tied together. His feet were almost bare. He offered no resistance and said he was glad to go back to its light of the said he was glad to go back to its light of the said he was glad to go back to its light of the said he was glad to go back to its light. He was under a sentence of months for burglary.
